FORWARD-LOOKING STATEMENTS

Certain statements included or incorporated by reference in this prospectus and each prospectus supplement may not be based on historical facts and are “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Statements preceded by, followed by or that otherwise include the words “anticipates,” “believes,” “estimates,” “expects,” “intends,” “plans,” “projects,” and similar expressions or future or conditional verbs such as “could,” “may,” “might,” “should,” “will” and “would,” or variations or negatives of such terms are generally forward-looking in nature and not historical facts, although not all forward-looking statements include the foregoing words. Forward-looking statements are not historical facts, and are based on current expectations, estimates and projections about our industry, management’s beliefs and certain assumptions made by management, many of which, by their nature, are inherently uncertain and beyond our control. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions and uncertainties that are difficult to predict. Although we believe that the expectations reflected in our forward-looking statements are reasonable as of the date made, actual results may prove to be materially different from the results expressed or implied by the forward-looking statements.

There are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the following:

- deterioration of our asset quality;
- factors that can impact the performance of our loan portfolio, including real estate values and liquidity in our primary market areas, the financial health of our commercial borrowers and the success of construction projects that we finance, including any loans acquired in acquisition transactions;
- changes in the value of collateral securing our loans;
- our ability to anticipate interest rate changes and manage interest rate risk;
- the effectiveness of our risk management framework and quantitative models;
- our inability to receive dividends from our bank subsidiary and to service debt, pay dividends to our common stockholders, repurchase our shares of common stock and satisfy obligations as they become due;
- business and economic conditions generally and in the financial services industry, nationally and within our local market area;
- changes in our operation or expansion strategy or our ability to prudently manage our growth and execute our strategy;
- changes in management personnel;
- our ability to maintain important deposit customer relationships, our reputation or otherwise avoid liquidity risks;
- increasing costs as we grow deposits;
- operational risks associated with our business;
- volatility and direction of market interest rates;
- increased competition in the financial services industry, particularly from regional and national institutions;
- changes in the laws, rules, regulations, interpretations or policies relating to financial institutions, as well as tax, trade, monetary and fiscal matters;
- periodic changes to the extensive body of accounting rules and best practices may change the treatment and recognition of critical financial line items and affect our profitability;
- further government intervention in the U.S. financial system;
- compliance with governmental and regulatory requirements, including the Dodd-Frank Wall Street Reform and Consumer Protection Act and others relating to banking, consumer protection, securities and tax matters;

- uncertainty regarding the future of the London Interbank Offered Rate and any replacement alternatives on our business;
- natural disasters and adverse weather events, acts of terrorism, an outbreak of hostilities or other international or domestic calamities, and other matters beyond our control;
- system failures, cybersecurity threats and/or security breaches and the cost of defending against them;
- other factors that are discussed in the section titled “Item 1A. Risk Factors” in our most recent Annual Report on Form 10-K and other filings with the SEC that are incorporated by reference in this prospectus, and additional risk factors that may be set forth in any applicable prospectus supplement; and
- our ability to manage the risks involved in the foregoing.

The foregoing factors should not be construed as exhaustive and should be read together with the other cautionary statements included or incorporated by reference in this prospectus. If one or more events related to these or other risks or uncertainties materialize, or if our underlying assumptions prove to be incorrect, actual results may differ materially from what we anticipate. In addition, as a result of these and other factors, our past financial performance should not be relied upon as an indication of future performance. Accordingly, you should not place undue reliance on any forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made, and we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New risks and uncertainties emerge from time to time, and it is not possible for us to predict those events or how they may affect us. In addition, we cannot assess the impact of each factor on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements.

RISK FACTORS

Investing in securities issued by us involves certain risks. Before you invest in any securities issued by us, in addition to the other information included in, or incorporated by reference into, this prospectus, as well as the information contained in any applicable prospectus supplement, you should carefully consider the risk factors contained in the section titled “Item 1A. Risk Factors” and elsewhere in our Annual Report on Form 10-K for the year ended December 31, 2018, which is incorporated by reference into this prospectus, as updated by our Annual or Quarterly Reports for subsequent fiscal years or fiscal quarters that we file with the SEC and that are so incorporated. See “*Where You Can Find More Information*” for information about how to obtain a copy of these documents. You should also carefully consider the risks and other information that may be contained in, or incorporated by reference into, any prospectus supplement relating to specific offerings of securities. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also materially and adversely affect our business and operations.

USE OF PROCEEDS

We intend to use the net proceeds from the sales of the securities in the manner and for the purposes set forth in the applicable prospectus supplement, which may include general corporate purposes.

DESCRIPTION OF SECURITIES WE MAY OFFER

This prospectus contains summary descriptions of our capital stock. These summary descriptions are not meant to be complete descriptions of each security. The applicable prospectus supplement for an offering may add, update or change the terms and conditions of the securities as described in this prospectus. This summary is qualified by reference to the applicable provisions of the Louisiana Business Corporation Act, or the LBCA, our Restated Articles of Incorporation, which we refer to as our Articles of Incorporation, and our Bylaws, each as amended. You are urged to read those documents carefully. Copies of our Articles of Incorporation and Bylaws are incorporated by reference in this prospectus as exhibits to the registration statement of which this prospectus forms a part. See “Where You Can Find More Information.”

DESCRIPTION OF COMMON STOCK

We may issue, separately or together with, or upon conversion, exercise or exchange of other securities, shares of our common stock as set forth in the applicable prospectus supplement. The following section describes the material features and rights of our common stock. This summary does not purport to be exhaustive and is qualified in its entirety by reference to our Articles of Incorporation and our Bylaws, each of which is incorporated by reference as an exhibit to the registration statement of which this prospectus forms a part, and to applicable Louisiana law, including the LBCA.

Authorized and Outstanding Shares

As of the date of this prospectus, we were authorized to issue 50,000,000 shares of our common stock. As of September 25, 2019, there were 23,481,781 shares of our common stock issued and outstanding. On September 25, 2019, approximately 254,000 shares of our common stock were issuable upon exercise of outstanding stock options and approximately 949,316 shares were reserved for future issuance under our 2012 Stock Incentive Plan.

Voting and Other Rights

The holders of our common stock are entitled to one vote per share on all matters submitted to a vote of our stockholders, unless otherwise provided by law and subject to the rights and preferences of the holders of any outstanding shares of our preferred stock. Our Articles of Incorporation provide that the affirmative vote of at least two-thirds of the total voting power of the Company is required to amend or repeal Article VI (Voting Amendments), Article VII (Limitation of Liability) or Article VIII (Indemnification) of our Articles of Incorporation, and that such amendment or repeal will be prospective only. Our Articles of Incorporation also provide that our Bylaws may be amended by a vote of not less than two-thirds of the total number of directors then holding office, subject to the power of the stockholders, acting by a vote of the holders of not less than two-thirds of the total voting power of the Company, to change or repeal the Bylaws, including any amendments to the Bylaws adopted by our board of directors.

Our directors are divided into three classes (Class A, Class B and Class C). Holders of our common stock are not entitled to cumulative voting in the election of directors. Directors are elected by the vote of a majority of the votes cast by the holders of shares entitled to vote at any meeting for the election of directors at which a quorum is present, provided that if the number of director nominees exceeds the number of directors to be elected at such meeting, the directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote at such meeting at which a quorum is present.

No holder of our common stock has a right under the LBCA, or our Articles of Incorporation or Bylaws, to purchase shares of common stock upon any future issuance. Holders of our common stock have no conversion rights or other subscription rights. There are no other redemption or sinking fund provisions that are applicable to our common stock. In the event of our liquidation, dissolution or winding-up, whether voluntarily or involuntarily, the holders of our common stock would be entitled to share ratably in any of the net assets or funds which are available for distribution to stockholders, after the satisfaction of all liabilities and accrued and unpaid dividends and liquidation preferences on any outstanding preferred stock.

Dividends

All shares of our common stock are entitled to share equally in dividends from legally available funds, when, as, and if declared by our board of directors. Our ability to pay dividends depends on the amount of dividends paid to us by the Bank. The payment of dividends by us and the Bank is subject to government regulation, in that regulatory authorities may prohibit banks and financial holding companies from paying dividends in a manner that would constitute an unsafe or unsound banking practice. In addition, a bank may not pay cash dividends if doing so would reduce the amount of its capital below that necessary to meet minimum regulatory capital requirements. State and federal laws also limit a bank's ability to pay dividends. Accordingly, the dividend restrictions imposed on our subsidiaries by statute or regulation may effectively limit the amount of dividends we can pay.

Holders of our debt securities have priority to distributions and payment over holders of our common stock. The dividend rights of holders of our common stock could also become subject to the dividend rights of holders of any outstanding preferred stock that we issue in the future.

Transfer Agent

The transfer agent and registrar for our common stock is EQ Shareowner Services.

Antitakeover Effects of Governing Documents

Our Articles of Incorporation and Bylaws contain certain provisions that could delay, discourage or prevent an attempted acquisition or change of control of the Company.

Articles of Incorporation

Article IV divides our board of directors into three classes and the directors in each class serve a three-year term. The election of directors is staggered so that approximately one-third of the board of directors is elected at each annual meeting. A vote of not less than two-thirds of the total number of directors then holding office is required to increase or decrease the number of directors.

Our Articles of Incorporation provide that the affirmative vote of at least two-thirds of the total voting power of the Company is required to amend or repeal Article VI (Voting Amendments), Article VII (Limitation of Liability) or Article VIII (Indemnification) of our Articles of Incorporation, and that such amendment or repeal will be prospective only. Additionally, our Articles of Incorporation require the vote of not less than two-thirds of the total number of directors then holding office, subject to the power of the stockholders, acting by a vote of the holders of not less than two-thirds of the total voting power of our company, to change or repeal the Bylaws, including any amendments to the Bylaws made by our board of directors.

Article IX provides that except as otherwise specifically provided by law, special meetings of the stockholders of the Company may be called by our board of directors, the chairman of our board or our chief executive officer, and shall be called by the secretary of the Company upon the written demand of the holders of at least 25% of all shares entitled to vote at the proposed meeting pursuant to a request made in accordance with procedures set forth in our Bylaws.

Finally, our board of directors, without stockholder approval, has the authority under our Articles of Incorporation to issue preferred stock with rights superior to the rights of the holders of common stock. As a result, preferred stock, while not intended as a defensive measure against takeovers, could be issued quickly and easily, which may adversely affect the rights of holders of common stock and could make it more difficult or time consuming for a third party to acquire a majority of our outstanding voting stock or otherwise effect a change of control. Within the limits described below under “*Description of Preferred Stock*,” our board of directors may issue preferred stock for capital raising transactions, acquisitions, joint ventures or other corporate purposes that has the effect of making an acquisition of the Company more difficult or costly.

Bylaws

Our Bylaws establish an advance notice procedure with regard to business to be brought before an annual or special meeting of stockholders and with regard to the nomination of candidates for election as directors, other than by or at the direction of the board of directors. Although this procedure does not give our board of directors any power to approve or disapprove stockholder nominations for the election of directors or proposals for action, it may have the effect of precluding a contest for the election of directors or the consideration of stockholder proposals if the established procedure is not followed, and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of directors or to approve its proposal without regard to whether consideration of the nominees or proposals might be harmful or beneficial to our stockholders and us. Our board of directors may amend our Bylaws without shareholder approval.

DESCRIPTION OF PREFERRED STOCK

The following section describes the general terms of preferred stock that we may issue. The specific terms of any series of preferred stock will be described in the prospectus supplement relating to that series of preferred stock. The terms of any series of preferred stock may differ from the terms described below. Certain provisions of our preferred stock described below and in any prospectus supplement are not complete. The summary does not purport to be exhaustive and is qualified in its entirety by reference to our Articles of Incorporation and our Bylaws, each of which is incorporated by reference as an exhibit to the registration statement of which this prospectus forms a part, and to applicable Louisiana law, including the LBCA.

Authorized Shares

Our Articles of Incorporation permit our board of directors to authorize the issuance of up to 2,000,000 shares of preferred stock, no par value, in one or more series, without stockholder action. None of our preferred stock is currently outstanding.

General

Our board of directors can fix the number of shares to be included in each such series, and the designation, powers, preferences, limitations and relative rights of the shares of each such series. Therefore, without stockholder approval, our board of directors can authorize the issuance of preferred stock with voting, dividend, liquidation, conversion and redemption and other rights that could dilute the voting power of our common stock and may assist management in impeding any unfriendly takeover or attempted change in control.

Our preferred stock has the terms described below unless otherwise provided in the prospectus supplement relating to a particular series of our preferred stock. You should read the prospectus supplement relating to the particular series of our preferred stock being offered for specific terms, including:

- the number of shares constituting that series and the distinctive designation of that series;
- the dividend rate on the shares of that series, whether dividends will be cumulative, and, if so, from which date or dates, and the relative rights of priority, if any, of the payment of dividends on shares of that series;
- whether that series will have voting rights, in addition to the voting rights provided by law, and, if so, the terms of such voting rights;
- whether that series will have conversion privileges, and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as our board of directors may determine;
- whether or not the shares of that series will be redeemable, and, if so, the terms and conditions of such redemption, including the date or date upon or after which they will be redeemable, and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- whether that series will have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amount of such sinking fund;
- the rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding-up of the Company, and the relative rights of priority, if any, of payment of shares of that series; and
- any other relative rights, preferences and limitations of that series.

Rank

Any series of preferred stock could rank senior, equal or junior to our other capital stock, as may be described in the applicable prospectus supplement, as long as our Articles of Incorporation so permit.

Dividends

Holders of each series of preferred stock will be entitled to receive dividends if so specified in the applicable

designations when, as and if declared by our board of directors, from funds legally available for the payment of dividends. The rates and dates of the payment of dividends for each series of preferred stock will be stated in the applicable prospectus supplement. Dividends will be payable to holders of record of preferred stock as they appear on our books on the record dates fixed by our board of directors. Dividends on any series of preferred stock may be cumulative or noncumulative, as set forth in the applicable prospectus supplement.

Our ability to pay dividends depends on the amount of dividends paid to us by the Bank. The payment of dividends is subject to government regulation, in that regulatory authorities may prohibit banks and financial holding companies from paying dividends in a manner that would constitute an unsafe or unsound banking practice. In addition, a bank may not pay cash dividends if doing so would reduce the amount of its capital below that necessary to meet minimum regulatory capital requirements. State and federal laws also limit a bank's ability to pay dividends. Accordingly, the dividend restrictions imposed on our subsidiaries by statute or regulation effectively may limit the amount of dividends we can pay. Holders of our debt securities have priority to distributions and payment over holders of our stock.

Voting Rights

Unless otherwise described in the applicable prospectus supplement, holders of our preferred stock will have no voting rights except as otherwise required by law or by our Articles of Incorporation.

Conversion or Exchange Rights

The prospectus supplement relating to any series of preferred stock that is convertible, exercisable or exchangeable will state the terms on which shares of that series are convertible into or exercisable or exchangeable for shares of common stock, another series of preferred stock or other securities of the Company.

Redemption

We may provide that a series of our preferred stock may be redeemable, in whole or in part, at our option. In addition, a series of preferred stock may be subject to mandatory redemption pursuant to a sinking fund or otherwise. The redemption provisions that may apply to a series of preferred stock, including the redemption dates and the redemption prices for that series, will be described in the applicable prospectus supplement.

In the event of partial redemptions of our preferred stock, whether by mandatory or optional redemption, our board of directors will determine the method for selecting the shares to be redeemed, which may be by lot, on a ratable basis or by any other method determined to be equitable. On or after a redemption date, unless we default in the payment of the redemption price, dividends will cease to accrue on shares of preferred stock called for redemption. In addition, all rights of holders of the shares will terminate except for the right to receive the redemption price.

Transfer Agent

The transfer agent and registrar for our preferred stock will be EQ Shareowner Services.

DESCRIPTION OF DEBT SECURITIES

The complete terms of the debt securities will be contained in the indenture and supplemental indenture applicable to the debt securities. These documents will be included or incorporated by reference into this prospectus or the applicable prospectus supplement. You should read the indenture and applicable supplemental indenture relating to any debt securities. You should also read the applicable prospectus supplement, which will contain additional information and which may update or change some of the information below.

We may issue, separately or together with, or upon conversion, exercise or exchange of other securities, debt securities, including debentures, notes, bonds and other evidence of indebtedness as set forth in the applicable prospectus supplement. The debt securities may be either secured or unsecured and will be either senior debt securities or subordinated debt securities. The debt securities will be issued under one or more separate indentures between us and a trustee to be specified in an accompanying prospectus supplement. Senior debt securities will be issued under a senior indenture and subordinated debt securities will be issued under a subordinated indenture. We refer to the senior indenture and the subordinated indenture together as the indentures. This prospectus, together with the applicable prospectus supplement, will describe the terms of each series of debt securities that we may offer from time to time.

The following summary of the material provisions of the indentures and the debt securities does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the provisions of the applicable indenture and certificates evidencing the applicable debt securities. The specific terms of the applicable indenture and debt securities will be described in the applicable prospectus supplement. If any particular terms of the applicable indenture or debt securities described in a prospectus supplement differ from any of the terms described below, then the terms described below will be deemed to have been superseded by those described in the applicable prospectus supplement.

Capitalized terms used but not defined in this section have the meanings given to those terms in the applicable prospectus supplement or, if not defined in the applicable prospectus supplement, in the applicable indenture.

As used in this section, “we,” “our,” “us” and the “Company” refer only to Origin Bancorp, Inc. and not to any of its subsidiaries.

- any other specific terms of such debt securities.

If we denominate the purchase price of any of the debt securities in a foreign currency or currencies, or if the principal of or premium, if any, or interest on any series of debt securities is payable in a foreign currency or currencies, we will include in the applicable prospectus supplement information on the restrictions, elections, material United States federal

income tax considerations, specific terms and other information with respect to that issue of debt securities and the relevant foreign currency or currencies.

Unless otherwise specified in the prospectus supplement, the debt securities will be registered debt securities. Debt securities may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. The material United States federal income tax considerations applicable to debt securities sold at a discount will be described in the applicable prospectus supplement.

Senior Debt

Except as otherwise provided in a prospectus supplement, senior debt securities will be unsecured and will rank equally with all other unsecured and unsubordinated debt of the Company, and will rank senior in right of payment to any subordinated debt.

Subordinated Debt

Except as otherwise provided in a prospectus supplement, subordinated debt securities will be unsecured and will be subordinated in right of payment to the prior payment in full of all of our Senior Indebtedness, as more fully described in the applicable prospectus supplement. Notwithstanding the foregoing, if a deposit is made in accordance with the terms of the indenture with respect to any debt securities (and provided all other conditions set out in the indenture shall have been satisfied with respect to such debt securities), then, when the 90th day after such deposit has ended, no money obligations so deposited, and no proceeds thereon, will be subject to any rights of holders of Senior Indebtedness, including any rights of subordination.

Under the subordinated debt indenture, Senior Indebtedness means, without duplication, the principal, premium, if any, unpaid interest (including interest accruing on or after the filing of any petition in bankruptcy or for reorganization, whether or not a claim for post-filing interest is allowed in such proceeding), fees, charges, expenses, reimbursement and indemnification obligations, and all other amounts payable under or in respect of the following indebtedness, whether any such indebtedness exists as of the date of the indenture or is created, incurred or assumed after such date:

- all obligations for borrowed money;
- all obligations evidenced by debentures, debt securities or other similar instruments;
- all obligations associated with derivative products, including but not limited to, securities contracts, foreign currency exchange contracts, swap agreements (including interest rate and foreign exchange rate swap agreements), cap agreements, floor agreements, collar agreements, interest rate agreements, foreign exchange rate agreements, options, commodity futures contracts, commodity option contracts and similar financial instruments;

- indebtedness secured by any mortgage, pledge, lien, charge, encumbrance or any security interest existing on property owned by the Company but excluding any obligations of the Company which are required (as opposed to elected) to be treated as finance leases under generally accepted accounting principles;
- purchase money and similar obligations; and
- any renewals, extensions, refundings or replacements of any of the foregoing.

Methods of Receiving Payments on the Debt Securities

Unless otherwise indicated in a prospectus supplement, the debt securities will be payable as to principal, redemption premium, if any, and interest at the office or agency of the paying agent (which may be us) or, at our option, payment of interest may be made by check mailed to the holders of the debt securities at their last addresses as they appear on the register of holders or wired if held in book-entry form.

Events of Default; Waiver

Unless we indicate otherwise in a prospectus supplement with respect to a particular series of debt securities, an “event of default,” when used in the indentures, means any of the following:

- our default in the payment of the principal (or premium, if any) on any of the debt securities of such series as and when due, either at maturity, upon redemption, by declaration or otherwise, or any payment required by any sinking or analogous fund with respect to any series of the debt securities;
- our default in the payment of any installment of interest on the debt securities when due, and continuance of such default for a period of 90 days;
- our failure to observe or perform any other covenant or agreement in the debt securities or the applicable indenture and the continuance of such default or breach for a period of 90 days after our receipt of written notice from the trustee or the holders of at least 25% in aggregate principal amount of the debt securities then outstanding of that series specifying such failure and requiring it to be remedied;
- a court having jurisdiction enters a decree or order for relief in respect of us or a Material Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of us or a Material Subsidiary or for any substantial part of our or its respective property, or ordering the winding-up or liquidation of our affairs shall have been entered and remained unstayed and in effect for a period of 60 consecutive days;
- we or a Material Subsidiary commence a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law, or consent to the entry of a decree or order for relief in an involuntary case or proceeding under any such law, or the consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of us or a Material Subsidiary or of any substantial part of our or its respective property, or the making by us or a Material Subsidiary of a general assignment for the benefit of creditors; or
- any other event of default provided with respect to a particular series of debt securities, as described in the prospectus supplement with respect to the offering of such series.

A Material Subsidiary means Origin Bank or any successor thereof or any of our subsidiaries that is a depository institution and that has consolidated assets equal to 80% or more of our consolidated assets.

If an event of default occurs and continues as described in the first, second, third or sixth bullet above, either the trustee or the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding by written notice to us (with a copy to the trustee, if given by holders) may declare the principal amount of the debt securities of that series to be immediately due and immediately payable. If an event of default occurs and continues as described in the fourth or fifth bullet above, the principal amount of all of the debt securities issued under the indentures shall automatically be deemed immediately due and payable.

The indentures also provide that the holders of a majority in principal amount of the debt securities of each series outstanding at the time may, on behalf of the holders of all of the debt securities of that series, waive any past default with respect to the debt securities and its consequences, except a default in the payment of the principal of, premium, if any, and interest on the debt securities or a bankruptcy or insolvency-related default, or with respect to any covenant or provision that cannot be modified or amended under the terms of the indenture without the holder of such outstanding debt security so affected.

The holders of a majority in principal amount of the debt securities of each series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee. However, the trustee may refuse to follow any direction that conflicts with law or the indentures or that the trustee determines in good faith may be unjustly prejudicial to the holders of the debt securities not consenting or that may involve the trustee in personal liability. In addition, the trustee may take any other action it deems proper that is not inconsistent with any such direction received from the holders of a majority in principal amount of the debt securities.

The trustee shall be under no obligation to exercise any of the rights or powers vested in it by the indentures at the request, order or direction of any of the holders of any debt securities or related coupons pursuant to the provisions of the indentures, unless such holders shall have offered to the trustee security or indemnity reasonably satisfactory to it against the losses, costs, expenses and liabilities which might be incurred by it in compliance with such request, order or direction. Except to enforce the right to receive payment of principal, premium, if any, or interest, no holder of a debt security will have any

right to institute any proceeding, judicial or otherwise, with respect to the indenture, or for the appointment of a receiver or trustee, or for any other remedy under the indenture unless:

- such holder has previously given the trustee written notice of a continuing event of default;
- holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series have made a written request to the trustee to institute proceedings in respect of such event of default in its own name as trustee under the indenture;
- such holders provide to the trustee reasonable indemnity acceptable to the trustee against the costs, expenses and liabilities to be incurred with such request;
- the trustee has failed to institute a proceeding within 60 days after its receipt of the notice, request and offer of indemnity; and
- the holders of a majority in aggregate principal amount of the outstanding debt securities do not give the trustee a direction inconsistent with the request within such 60-day period.

Each indenture requires the applicable trustee to notify the holders of a series regarding the existence of any default known to the trustee, unless the default has been cured or waived. In addition, except in the case of a default in payment of principal of or interest on any debt security or the payment of any sinking or purchase fund installment, the trustee may withhold notice of a default if and so long as the trustee in good faith determines that withholding the notice is in the interests of the holders of the debt securities. Furthermore, the trustee shall not provide notice of default to the holders of debt securities following our failure to duly observe or perform any of the covenants or agreements contained in the debt securities or indenture (other than certain payment obligations) unless at least 30 days after the occurrence thereof. For purposes of these requirements, a “default” means any event which is, or after notice or lapse of time or both would become, an event of default under the indentures with respect to the debt securities of such series.

We are required to deliver to the trustee, within 120 days after the end of each fiscal year, commencing with the year during which the first series of debt securities is issued under an indenture, a written statement signed by certain officers regarding our performance under the indenture throughout the year and specifying any known default in the fulfilment of any of our obligations under the indenture, together with certain additional details regarding any such known default.

Merger, Consolidation, Sale, Lease or Conveyance

Unless otherwise indicated in a prospectus supplement with respect to a particular series of debt securities, we will not merge into or consolidate with any other corporation, or sell or convey all or substantially all of our assets to any person, firm, or corporation, unless:

- either we are the continuing corporation or the successor corporation is a corporation organized and existing under the laws of the United States or a state thereof or the District of Columbia and expressly assumes the due and punctual payment of the principal, premium, if any, and interest on all the debt securities according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of the indenture to be performed by us by supplemental indenture, executed and delivered to the trustee by such successor corporation;
- neither we nor such successor corporation, immediately after giving effect to such merger, consolidation, sale or conveyance, will be in default in the performance of any covenant or condition under the applicable indenture; and
- we shall have delivered to the trustee an officer’s certificate and an opinion of counsel, each stating that the transaction complies with the terms of the applicable indenture and that all conditions precedent in such indenture provided for relating to such transaction have been complied with.

In the case of any such consolidation or merger, sale or conveyance and upon any such assumption by the successor corporation, the successor corporation shall succeed to, and be substituted for, us under the applicable indenture with the same effect as if it had been an original party to such indenture.

Certain Covenants

The applicable prospectus supplement will describe any restrictive covenants applicable to any debt securities we offer for sale.

Modification of the Indenture

Unless we indicate otherwise in a prospectus supplement and except as set forth below, modification and amendment of an indenture, or entry into a supplemental indenture applicable to the debt securities, may be made only when authorized by our board of directors and with the consent of the holders of not less than a majority in principal amount of the debt securities outstanding affected by such supplemental indenture, voting together as a single class.

Notwithstanding the foregoing, no modification or amendment of an indenture as applicable to any series of debt securities may:

- extend the fixed maturity of any debt security, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each debt security so affected;
- reduce the percentage in principal amount of outstanding debt securities that is required for any supplemental indenture without the consent of the holders of all debt securities then outstanding;
- modify the subordination provisions in a manner adverse to the holders of any debt security; or
- modify any of the applicable provisions with respect to modification and waiver.

In addition, we and the trustee may modify or amend the indentures as applicable to the debt securities, with the consent of our board of directors but without the consent of any holder of the debt securities, for any of the following purposes:

- to evidence the succession of another corporation to the Company, or successive successions, and provide for the successor's assumption of our covenants, agreements and obligations under the indentures and the debt securities issued thereunder;
- to add further covenants, restrictions, conditions or provisions as our board of directors considers to be for the protection of the holders of the debt securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an event of default permitting the enforcement of all or any of the remedies provided under the applicable indenture, with such period of grace and subject to such conditions as such supplemental indenture may provide;
- to add or change any of the provisions of the indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit or facilitate the issuance of debt securities in uncertificated form; provided, that any such action shall not adversely affect the interests of the holders of the debt securities or any related coupons in any material respect;
- to modify, eliminate or add provisions of the indenture to such extent as necessary in order to effect the qualification of the applicable indenture under the Trust Indenture Act of 1939, as amended, or the Trust Indenture Act, or any similar federal statute thereafter enacted, and to add such other provisions as may be expressly permitted by the Trust Indenture Act, excluding Section 316(a)(2) thereof or any corresponding provision in any similar federal statute hereafter enacted;
- to modify, eliminate or add to any provisions of the indenture; provided that any such change or elimination (i) becomes effective only when there are no outstanding debt securities and created prior to the execution of such supplemental indenture that is entitled to the benefit from such provision or (ii) does not apply to any outstanding debt security;
- (i) to cure any ambiguity or to correct or supplement any provision in the indenture or any supplemental indenture which may be defective or inconsistent with any other provision, (ii) to convey, transfer, assign, mortgage or pledge any property to or with the trustee or (iii) to make such other provisions in regard to matters or questions arising under the indenture; provided, that no such provision shall adversely affect in any material respect the interests of the holders of the debt securities or any related coupons, including provisions necessary or desirable to provide for or facilitate the administration of the trusts;
- to secure any series of debt securities; and

- to evidence and provide for the acceptance and appointment by a successor trustee with respect to the debt securities of one or more series and to add or change any provisions of the indenture as necessary to provide for or facilitate the administration of the trusts.

The trustee shall not be obligated to enter into any amendment or supplemental indenture that adversely affects the trustee's own rights, duties or immunities under the applicable indenture or otherwise.

Subject to the requirements for the holders to waive a default related to bankruptcy events, defaults related to covenants or provisions that cannot be modified without the consent of each affected holder, and the rights of any holder of a debt security to receive payment of principal of, premium, if any, on and interest on such debt securities, holders of a majority in aggregate principal amount of the debt securities voting as a single class of such series or of all debt securities, as the case may be, then outstanding may waive all defaults with respect to that series or with respect to all securities treated as a single class and rescind and annul such declaration and its consequences, but no waiver or rescission and annulment will extend to or affect any subsequent default.

Outstanding Debt Securities; Determinations of Holders' Actions

Debt securities outstanding at any time are the debt securities authenticated and delivered by the trustee except for those cancelled by the trustee or delivered to the trustee for cancellation, those debt securities, or portions thereof, for which we have deposited in trust with the trustee or any paying agent a sufficient amount of money for the payment or redemption thereof, those debt securities that have been defeased under the indenture, and those debt securities that have been exchanged for other debt securities issued under the indenture or that have been mutilated, destroyed, lost or stolen and replaced by the trustee. A debt security does not cease to be outstanding because we or an affiliate of ours holds the debt security; provided, that in determining whether the holders of the requisite aggregate principal amount of debt securities have given or concurred in any request, demand, authorization, notice, direction, consent or waiver, debt securities owned by us, any other obligor of the debt securities or any other person directly or indirectly controlling or controlled by or under direct or indirect common control with us or any other obligor on the debt securities, will be disregarded and deemed not to be outstanding for the purpose of any such determination, except for determining whether the trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only debt securities which the trustee knows are so owned will be so disregarded, and debt securities that have been pledged in good faith may also be regarded as outstanding under certain circumstances.

Satisfaction and Discharge

Each indenture may be discharged and cease to be of further effect as to the applicable debt securities, when:

- either:
 - o all debt securities of any series that have been authenticated and all coupons, if any, appertaining thereto have been delivered to the trustee for cancellation, except (i) coupons on Bearer Securities that meet certain conditions, (ii) debt securities and coupons that have been destroyed, lost or stolen and that have been replaced or paid as provided in the indenture, (iii) coupons relating to debt securities called for redemption and maturing after the relevant redemption date, whose surrender has been waived, and (iv) debt securities and coupons for which payment has been deposited in trust or segregated and held in trust by us and thereafter repaid to us or discharged from such trust; or
 - o all debt securities and certain coupons discussed above that have not been delivered to the trustee for cancellation (i) have become due and payable, (ii) are by their terms due and payable within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the trustee for the giving of notice of redemption, and in the case of clauses (i) and (iii) in the preceding bullet point, we have deposited or caused to be deposited with the trustee as trust funds the entire amount (other than moneys repaid by the trustee or any paying agent to us under the terms of the indenture) sufficient to pay at maturity or upon redemption all debt securities of such series and coupons not delivered to the trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date of redemption;
- we have paid or caused to be paid all other sums payable by us under the applicable indenture with respect to the debt securities;
- upon demand of and at our cost and expense, the trustee has executed instruments reasonably requested by us acknowledging the satisfaction and discharge of the applicable indenture with respect to the debt securities; and

- we have delivered to the trustee an officer's certificate and an opinion of counsel stating that the conditions precedent to the satisfaction and discharge of the debt securities have been complied with.

Legal Defeasance and Covenant Defeasance

Legal Defeasance

Under the terms of the indentures and unless otherwise provided in a supplemental indenture, we will be deemed to have paid and will be discharged from any and all obligations in respect of the debt securities after we have made the deposit referred to below and the conditions precedent and subsequent set forth below are satisfied, and the provisions of the applicable indenture will cease to be applicable with respect to the debt securities (except for, among other matters, certain rights of the holders to receive payments of principal, premium and interest when due on such debt securities from the trust fund, and our obligations to register the transfer of or exchange of the debt securities, prepare temporary debt securities, replace stolen, lost or mutilated debt securities, maintain paying agents and hold funds for payment in trust, and rights, powers, trusts, duties and immunities with respect to the trustee) if:

- we have irrevocably deposited or caused to be deposited with the trustee, in trust, money in an amount and/or non-callable or non-redeemable government securities that will provide funds in amount sufficient, in the opinion of a nationally recognized public accounting firm expressed in a written certification delivered to the trustee, to pay the principal of, premium, if any, and accrued interest on the debt securities until maturity or redemption in accordance with the terms of the applicable indenture and any mandatory sinking fund payments or analogous payments applicable to such debt securities;
- no default or event that after notice or lapse of time, or both, would become a default with respect to such debt securities, will have occurred and be continuing on the date of such deposit, or insofar as events of default due to certain events of bankruptcy, insolvency or reorganization in respect of us are concerned, during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the company with respect to such deposit;
- such defeasance or covenant defeasance does not (i) cause the trustee for the debt securities to have a conflicting interest under the terms of the indenture or the Trust Indenture Act or (ii) result in the trust arising from such deposit to constitute, unless it is qualified, a regulated investment company under the Investment Company Act of 1940, as amended;
- such defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, the indenture or any other agreement or instrument to which we are a party or by which we are bound;
- such defeasance or covenant defeasance does not cause any debt securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;
- we have delivered to the trustee an opinion of counsel stating that (i) we have received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of the indenture there has been a change in the applicable United States federal income tax law to the effect that, and based thereon, holders of the debt securities will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to United States federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such defeasance had not occurred;
- such defeasance is effected in compliance with any terms, conditions or limitations which may be imposed on the Company in connection with a supplemental indenture or board resolutions establishing such series of debt securities; and
- we shall have delivered to the trustee an officer's certificate and an opinion of counsel, each stating that all conditions precedent and subsequent provided for in the indenture relating to the defeasance have been complied with.

Covenant Defeasance

Under the terms of the indentures and unless as otherwise provided in a supplemental indenture, we will not need to comply with certain restrictive covenants, and the provisions of the applicable indenture will cease to be applicable with respect to an event of default under the debt securities other than an event of default due to our failure to pay the principal of or interest on the debt securities when due, upon:

- the satisfaction of the conditions described above in “*Legal Defeasance and Covenant Defeasance – Legal Defeasance*,” other than with respect to the sixth bullet point; and
- our delivery to the trustee of an opinion of counsel to the effect that the holders of the debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such covenant defeasance and will be subject to United States federal income tax on the same amount and in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

If we exercise our option to omit compliance with certain provisions of the applicable indenture as described in the immediately preceding paragraph and the debt securities are declared due and payable because of the occurrence of an event of default that remains applicable, the amount of money and/or non-callable government securities on deposit with the trustee may not be sufficient to pay amounts due on the debt securities at the time of acceleration resulting from such event of default. In such event, we will remain liable for such payments.

Limitation on Individual Liability

No incorporator or past, present or future stockholder, officer or director of ours or any successor corporation, as such, will have any liability for any obligations, covenants or agreements of ours under the debt securities or the indentures or because of any indebtedness evidenced thereby. Each holder of a debt security, by accepting a debt security waives and releases such liability. The waiver and release are part of the consideration for the issuance of the debt securities. Such waiver may not be effective to waive liabilities under the federal securities laws.

Trustee

The accompanying prospectus supplement will specify the trustee for the particular series of debt securities to be issued under the indentures.

At all times, the trustee must be a corporation organized and doing business under the laws of the United States or any state or territory thereof or of the District of Columbia, with authority to exercise corporate trust powers, be subject to the supervision or examination by federal, state, territorial or District of Columbia authority, have at all times a combined capital and surplus of not less than \$50,000,000 and not be the Company or any person directly or indirectly controlled or controlled by or under common control with the Company.

If the trustee acquires any conflicting interest, as defined in the Trust Indenture Act, with respect to the debt securities, within 90 days after the trustee has acquired a conflicting interest, which has not been cured or waived, the trustee would generally be required by the Trust Indenture Act to eliminate that conflicting interest or resign as trustee with respect to the debt securities issued under the applicable indenture. If the trustee resigns, we are required to appoint a successor trustee with respect to the affected securities promptly. The trustee and/or certain of its affiliates may provide banking, investment and other services to us.

Notices

Any notices required to be given to the holders of the debt securities will be given by mail to the addresses of the holders in the security register.

Governing Law

The indentures and the debt securities are governed by, and will be construed in accordance with, the laws of the State of New York. The indentures will be subject to the provisions of the Trust Indenture Act that are required to be part of the indentures and will, to the extent applicable, be governed by such provisions.

Book-Entry Delivery and Settlement

Global Debt Securities

We will issue any debt securities in the form of one or more global debt securities in definitive, fully registered, book-entry form. The global debt securities will be deposited with or on behalf of DTC, and registered in the name of Cede & Co., as nominee of DTC. Beneficial interests in the global debt securities will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. Investors may hold interests in the global debt securities through DTC.

DTC has advised us that:

- DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered under Section 17A of the Exchange Act.
- DTC holds securities that its participants deposit with DTC and facilitates the post-trade settlement among participants of sales and other securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants’ accounts, thereby eliminating the need for physical movement of security certificates.
- Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and other organizations.
- DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation, or DTCC. DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries.
- Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly.
- The rules applicable to DTC and its direct and indirect participants are on file with the SEC.

We have provided the description of the operations and procedures of DTC in this prospectus solely as a matter of convenience. These operations and procedures are solely within the control of those organizations and are subject to change by them from time to time. None of us, any underwriters or any trustee takes any responsibility for these operations or procedures, and you are urged to contact DTC or their participants directly to discuss these matters.

We expect that under procedures established by DTC:

- upon deposit of the global debt securities with DTC or its custodian, DTC will credit on its internal system the accounts of direct participants designated by any underwriters with portions of the principal amounts of the global debt securities; and
- ownership of the debt securities will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC or its nominee, with respect to interests of direct participants, and the records of direct and indirect participants, with respect to interests of persons other than participants.

The laws of some jurisdictions may require that purchasers of securities take physical delivery of those securities in definitive form. Accordingly, the ability to transfer interests in the debt securities represented by a global debt security to those persons may be limited. In addition, because DTC can act only on behalf of its participants, who in turn act on behalf of persons who hold interests through participants, the ability of a person having an interest in debt securities represented by a global debt security to pledge or transfer those interests to persons or entities that do not participate in DTC’s system, or otherwise to take actions in respect of such interest, may be affected by the lack of a physical definitive security in respect of such interest.

So long as DTC or its nominee is the registered owner of a global debt security, DTC or that nominee will be considered the sole owner or holder of the debt securities represented by that global debt security for all purposes under the indenture and under the debt securities. Except as provided below, owners of beneficial interests in a global debt security will not be entitled to have debt securities represented by that global debt security registered in their names, will not receive or be entitled to receive physical delivery of certificated debt securities and will not be considered the owners or holders thereof under the applicable indenture or under the debt securities for any purpose, including with respect to the giving of any direction, instruction or approval to the trustee. Accordingly, each holder owning a beneficial interest in a global debt security must rely on the procedures of DTC and, if that holder is not a direct or indirect participant, on the procedures of the

participant through which that holder owns its interest, to exercise any rights of a holder of debt securities under the applicable indenture or a global debt security.

Neither we nor any trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of debt securities by DTC, or for maintaining, supervising or reviewing any records of those organizations relating to the debt securities.

Payments on the debt securities represented by the global debt securities will be made to DTC or its nominee, as the case may be, as the registered owner thereof. We expect that DTC or its nominee, upon receipt of any payment on the debt securities represented by a global debt security, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the global debt security as shown in the records of DTC or its nominee. We also expect that payments by participants to owners of beneficial interests in the global debt security held through such participants will be governed by standing instructions and customary practice as is currently the case with securities held for the accounts of customers registered in the names of nominees for such customers. The participants will be responsible for those payments.

Settlement Procedures

Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled in immediately available funds.

Certificated Debt Securities

Individual certificates in respect of any debt securities will not be issued in exchange for the global debt securities, except in very limited circumstances. We will issue or cause to be issued certificated debt securities to each person that DTC identifies as the beneficial owner of the debt securities represented by a global debt security upon surrender by DTC of the global debt security if:

- DTC notifies us that it is no longer willing or able to act as a depository for such global debt security or ceases to be a clearing agency registered under the Exchange Act, and we have not appointed a successor depository within 90 days of that notice or becoming aware that DTC is no longer so registered;
- an event of default has occurred and is continuing, and DTC requests the issuance of certificated debt securities; or
- subject to DTC's procedures, we determine not to have the debt securities of such series represented by a global debt security.

Neither we nor any trustee will be liable for any delay by DTC, its nominee or any direct or indirect participant in identifying the beneficial owners of the debt securities. We and any trustee may conclusively rely on, and will be protected in relying on, instructions from DTC or its nominee for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of any certificated debt security to be issued.

DESCRIPTION OF DEPOSITARY SHARES

We may elect to offer fractional interests in shares of our preferred stock, in which case we will issue receipts for depositary shares and each depositary share will represent a fraction of a share of the applicable series of our preferred stock, as set forth in the applicable prospectus supplement. The following summary of the terms of the depositary shares does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the terms of the depositary shares and our preferred stock, as well as the form of the deposit agreement, depositary receipts, our Articles of Incorporation and any amendments thereto relating to the applicable series of our preferred stock that will be filed with the SEC. Therefore, you should carefully consider the actual provisions in these documents.

General

Each owner of a depositary share will be entitled, in proportion to the applicable fractional interest in shares of our preferred stock underlying that depositary share, to all rights and preferences of our preferred stock underlying that depositary share. These rights may include dividend, voting, redemption and liquidation rights.

The shares of our preferred stock underlying the depositary shares will be deposited with a bank or trust company selected by us to act as depositary, under a deposit agreement between us, the depositary and the holders of the depositary receipts. The depositary will be the transfer agent, registrar and dividend disbursing agent for the depositary shares. The name and address of the principal executive office of the depositary will be included in the prospectus supplement relating to the issue.

The depositary shares will be evidenced by depositary receipts issued pursuant to the depositary agreement. Holders of depositary receipts agree to be bound by the deposit agreement, which will require holders to take certain actions, such as filing proof of residence and paying certain charges.

Dividends and Other Distributions

The depositary will distribute cash dividends or other cash distributions, if any, received in respect of the series of our preferred stock underlying the depositary shares to the record holders of depositary receipts in proportion to the number of depositary shares owned by those holders on the relevant record date. The relevant record date for depositary shares will be the same date as the record date for our preferred stock.

In the event of a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary receipts that are entitled to receive the distribution, unless the depositary determines that it is not feasible to make the distribution. If this occurs, the depositary, with our approval, may adopt another method for the distribution, including selling the property and distributing the net cash proceeds to the holders.

Liquidation Preference

If a series of our preferred stock underlying the depositary shares has a liquidation preference, in the event of our voluntary or involuntary liquidation, dissolution or winding-up, holders of depositary shares will be entitled to receive the fraction of the liquidation preference accorded each share of the applicable series of our preferred stock, as set forth in the applicable prospectus supplement.

Redemption

If a series of our preferred stock underlying the depositary shares is subject to redemption, the depositary shares will be redeemed from the proceeds received by the depositary resulting from the redemption, in whole or in part, of our preferred stock held by the depositary. Whenever we redeem any of our preferred stock held by the depositary, the depositary will redeem, as of the same redemption date, the number of depositary shares representing our preferred stock so redeemed. The depositary will mail the notice of redemption to the record holders of the depositary receipts promptly upon receiving the notice from us, unless otherwise provided in the applicable prospectus supplement, prior to the date fixed for redemption of our preferred stock.

After the date fixed for redemption, the depositary shares called for redemption will no longer be outstanding. When the depositary shares are no longer outstanding, all rights of the holders will terminate, except the right to receive money, securities or other property payable upon redemption.

Voting

Upon receipt of notice of any meeting at which the holders of our preferred stock are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary receipts underlying our preferred stock. Each record holder of those depositary receipts on the record date will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the amount of our preferred stock underlying that holder's depositary shares. The record date for the depositary will be the same date as the record date for our preferred stock. The depositary will try, as far as practicable, to vote the shares of our preferred stock underlying the depositary shares in accordance with these instructions. We will agree to take all action that may be deemed necessary by the depositary in order to enable the depositary to vote our preferred stock in accordance with these instructions. The depositary will not vote our preferred stock to the extent that it does not receive specific instructions from the holders of depositary receipts.

Withdrawal of Preferred Stock

Owners of depositary shares will be entitled to receive, upon surrender of depositary receipts at the principal office of the depositary and payment of any unpaid amount due to the depositary, the number of whole shares of our preferred stock underlying their depositary shares.

Partial shares of our preferred stock will not be issued. Holders of our preferred stock will not be entitled to deposit the shares under the deposit agreement or to receive depositary receipts evidencing depositary shares for our preferred stock.

Amendment and Termination of the Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement may be amended by agreement between the depositary and us. However, any amendment that materially and adversely alters the rights of the holders of depositary shares, other than fee changes, will not be effective unless the amendment has been approved by the holders of at least a majority of the outstanding depositary shares. The deposit agreement may be terminated by the depositary or us only if:

- all outstanding depositary shares have been redeemed; or
- there has been a final distribution of our preferred stock in connection with our dissolution and such distribution has been made to all holders of depositary shares.

Charges of Depositary

We will pay all United States transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangement. We will also pay charges of the depositary in connection with:

- the initial deposit of our preferred stock;
- the initial issuance of the depositary shares;
- any redemption of our preferred stock; and
- all withdrawals of our preferred stock by owners of depositary shares.

Holders of depositary receipts will pay transfer, income and other taxes and governmental charges and other specified charges as provided in the deposit agreement for their accounts. If these charges have not been paid, the depositary may:

- refuse to transfer depositary shares;
- withhold dividends and distributions; and
- sell the depositary shares evidenced by the depositary receipt.

Miscellaneous

The depositary will forward to the holders of depositary receipts all reports and communications we deliver to the depositary that we are required to furnish to the holders of our preferred stock. In addition, the depositary will make available for inspection by holders of depositary receipts at the principal office of the depositary, and at such other places as it may

from time to time deem advisable, any reports and communications we deliver to the depositary as the holder of our preferred stock.

Neither we nor the depositary will be liable if either we or the depositary are prevented or delayed by law or any circumstance beyond the control of either the depositary or us in performing our respective obligations under the deposit agreement. Our obligations and the depositary's obligations will be limited to the performance in good faith of our or the depositary's respective duties under the deposit agreement. Neither we nor the depositary will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or our preferred stock unless satisfactory indemnity is furnished. The depositary and we may rely on:

- written advice of counsel or accountants;
- information provided by holders of depositary receipts or other persons believed in good faith to be competent to give such information; and
- documents believed to be genuine and to have been signed or presented by the proper party or parties.

Resignation and Removal of Depositary

The depositary may resign at any time by delivering a notice to us. We may remove the depositary at any time. Any such resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of such appointment. The successor depositary must be appointed within 60 days after delivery of the notice for resignation or removal. The successor depositary must be a bank and trust company having its principal office in the United States of America and having a combined capital and surplus of at least \$50,000,000.

DESCRIPTION OF WARRANTS

General

We may issue warrants in one or more series to purchase debt securities, common stock, preferred stock or any combination of these securities. Warrants may be issued independently or together with any underlying securities and may be attached to or separate from the underlying securities. We will issue each series of warrants under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent in connection with the warrants of such series and will not assume any obligation or relationship of agency for or on behalf of holders or beneficial owners of warrants. The following sets forth some of the general terms and provisions of the warrants. Further terms of the warrants and the applicable warrant agreement will be stated in the applicable prospectus supplement. The following description and any description of the warrants in a prospectus supplement are not complete and are subject to and qualified in their entirety by reference to the terms and provisions of the warrant agreement and related form of warrant certificate representing the warrants, which we will file with the SEC in connection with an issuance of any warrants.

The applicable prospectus supplement will describe the terms of any warrants, including the following, as may be applicable:

- the title of the warrants;
- the total number of warrants to be issued;
- the consideration for which we will issue the warrants, including the applicable currency or currencies;
- anti-dilution provisions to adjust the number or amount of shares of our common stock or other securities to be delivered upon exercise of the warrants;
- the designation and terms of the underlying securities purchasable upon exercise of the warrants;
- the price at which and the currency or currencies in which investors may purchase the underlying securities purchasable upon exercise of the warrants;
- the dates on which the right to exercise the warrants will commence and expire;
- the procedures and conditions relating to the exercise of the warrants;
- whether the warrants will be in registered or bearer form;
- information with respect to book-entry registration and transfer procedures, if any;
- the minimum or maximum amount of warrants that may be exercised at any one time;
- the designation and terms of the underlying securities with which the warrants are issued and the number of warrants issued with each underlying security;
- the date on and after which the warrants and securities issued with the warrants will be separately transferable;
- a discussion of material United States federal income tax considerations;
- the identity of the warrant agent; and
- any other terms of the warrants, including terms, procedures and limitations relating to the exchange, transfer and exercise of the warrants.

Warrant certificates may be exchanged for new warrant certificates of different denominations, and warrants may be exercised at the warrant agent's corporate trust office or any other office indicated in the applicable prospectus supplement. Prior to the exercise of their warrants, holders of warrants exercisable for shares of our common stock or preferred stock will not have any rights of holders of our common stock or preferred stock purchasable upon such exercise, including any rights to vote such shares or to receive any distributions or dividends thereon.

Exercise of Warrants

A warrant will entitle the holder to purchase for cash an amount of securities at an exercise price that will be stated in, or that will be determinable as described in, the applicable prospectus supplement. Warrants may be exercised at any time prior to the close of business on the expiration date and in accordance with the procedures set forth in the applicable prospectus supplement. Upon and after the close of business on the expiration date, unexercised warrants will be void and have no further force, effect or value.

DESCRIPTION OF PURCHASE CONTRACTS AND PURCHASE UNITS

We may issue purchase contracts for the purchase or sale of common stock, preferred stock or debt securities issued by us as specified in the applicable prospectus supplement. Each purchase contract will entitle the holder thereof to purchase or sell, and obligate us to sell or purchase on specified dates, such securities at a specified purchase price, which may be based on a formula, all as set forth in the applicable prospectus supplement. We may, however, satisfy our obligations, if any, with respect to any purchase contract by delivering the cash value of such purchase contract or the cash value of the securities otherwise deliverable, as set forth in the applicable prospectus supplement. The applicable prospectus supplement will also specify the methods by which the holders may purchase or sell such securities, and any acceleration, cancellation or termination provisions or other provisions relating to the settlement of a purchase contract. The price per security and the number of securities may be fixed at the time the purchase contracts are entered into or may be determined by reference to a specific formula set forth in the applicable purchase contracts.

The purchase contracts may be issued separately or as part of units consisting of a purchase contract and debt securities, or any other securities offered under this prospectus and described in the applicable prospectus supplement or any combination of the foregoing, securing the holders' obligations to purchase the securities under the purchase contracts, which we refer to herein as purchase units. The purchase contracts may require holders to secure their obligations under the purchase contracts in a specified manner. The purchase contracts also may require us to make periodic payments to the holders of the purchase contracts or the purchase units, as the case may be, or vice versa, and those payments may be unsecured or pre-funded on some basis.

The prospectus supplement relating to any offering of purchase contracts or purchase units will contain the specific terms of the purchase contracts or purchase units. These terms may include, without limitation, the following:

- whether the purchase contracts obligate the holder or us to purchase or sell, or both purchase and sell, the securities subject to purchase under the purchase contract, and the nature and amount of each of those securities, or the method of determining those amounts;
- whether the purchase contracts are to be prepaid or not;
- whether the purchase contracts are to be settled by delivery, or by reference or linkage to the value, performance or level of the securities subject to purchase under the purchase contract;
- any acceleration, cancellation, termination or other provisions relating to the settlement of the purchase contracts or purchase units;
- a discussion of the material United States federal income tax considerations applicable to the purchase contracts or purchase units;
- whether the purchase contracts or purchase units will be issued in fully registered or global form; and
- any other terms of the purchase contracts or purchase units and any securities subject to such purchase contracts.

The description in the applicable prospectus supplement of any purchase contracts and purchase units we offer will not necessarily be complete and is subject to, and will be qualified in its entirety by reference to, the applicable purchase contract or unit agreement, which will be filed with the SEC in connection with any offering of such securities.

DESCRIPTION OF SUBSCRIPTION RIGHTS

We may issue subscription rights to purchase our common stock, preferred stock or debt securities. These subscription rights may be issued independently or together with any other security offered hereby and may or may not be transferable by the stockholder receiving the subscription rights in such offering. In connection with any offering of subscription rights, we may enter into a standby arrangement with one or more underwriters or other purchasers pursuant to which the underwriters or other purchasers may be required to purchase any securities that have not been subscribed for after such offering.

The applicable prospectus supplement will describe the specific terms of any offering of subscription rights for which this prospectus is being delivered, including the following:

- the price, if any, for the subscription rights;
- the exercise price payable for each share of our common stock or preferred stock or for debt securities upon the exercise of the subscription rights;
- the number of subscription rights issued to each stockholder;
- the number and terms of each share of our common stock or preferred stock or debt securities that may be purchased per each subscription right;
- the extent to which the subscription rights are transferable;
- the conditions to completion of the offering of subscription rights;
- any provisions for adjustment of the number or amount of securities receivable upon exercise of the subscription rights or the exercise price of the subscription rights;
- any other terms of the subscription rights, including the terms, procedures and limitations relating to the exchange and exercise of the subscription rights;
- the date on which the right to exercise the subscription rights will commence, and the date on which the subscription rights will expire;
- the extent to which the subscription rights may include an over-subscription privilege with respect to unsubscribed securities or an over-allotment privilege to the extent the securities are fully subscribed; and
- if applicable, the material terms of any standby underwriting or purchase arrangement entered into by us in connection with the offering of subscription rights.

The description in the applicable prospectus supplement of any subscription rights we offer will not necessarily be complete and is subject to, and will be qualified in its entirety by reference to, the applicable subscription rights agreement and subscription rights certificate, which will be filed with the SEC in connection with any offering of subscription rights.

DESCRIPTION OF UNITS

We may issue units comprised of any combination of two or more of the other securities described in this prospectus and as specified in the applicable prospectus supplement. Each unit will be issued so that the holder of the unit is also the holder, with rights and obligations of a holder, of each security included in the unit. The units may be issued under unit agreements to be entered into between us and a unit agent.

The applicable prospectus supplement will specify the terms of the units, including:

- the designation and terms of the units and of any of the securities comprising the units, including whether and under what circumstances the securities comprising the units may be held or transferred separately;
- a description of the terms of any unit agreement governing the units;
- a description of the provisions for the issuance, payment, settlement, transfer or exchange of the units or of the securities comprising the units;
- a discussion of material United States federal income tax considerations, if applicable; and
- whether the units, if issued as a separate security, will be issued in fully registered or global form.

The applicable prospectus supplement will describe the terms of any units. The description in the applicable prospectus supplement of any units we offer will not necessarily be complete and is subject to, and will be qualified in its entirety by reference to, the applicable unit agreement, which will be filed with the SEC in connection with any offering of units.

PLAN OF DISTRIBUTION

We may sell the securities offered under this prospectus from time to time pursuant to underwritten public offerings, negotiated transactions, block trades or a combination of these methods or through underwriters, dealers or agents or directly to one or more purchasers. The securities may be distributed from time to time in one or more transactions (or in any combination) at:

- a fixed price or prices, which may be changed;
- market prices prevailing at the time of sale;
- prices related to the prevailing market price; or
- negotiated prices.

For each type and series of securities offered, the applicable prospectus supplement will set forth the terms of the offering, including, without limitation:

- the public offering price;
- the names of any underwriters, dealers or agents and the amount of securities underwritten or purchased by each of them, if any;
- any delayed delivery arrangements;
- the proceeds from the sale of securities to us and the use of proceeds from the sale of the securities;
- any underwriting discounts, concessions, commissions, agency fees or other compensation payable to underwriters, dealers or agents;
- any discounts or concessions allowed or re-allowed or repaid to dealers;
- estimated offering expenses; and
- the securities exchanges on which the securities will be listed, if any.

We may grant underwriters options to purchase additional securities at the public offering price, with additional underwriting commissions or discounts, as applicable, set forth in the prospectus supplement. The terms of any such option will be set forth in the prospectus supplement for those securities.

Underwriters or agents may make sales in privately negotiated transactions and/or any other method permitted by law, including sales deemed to be an “at-the-market” offering as defined in Rule 415 under the Securities Act, which includes sales made directly on the Nasdaq Global Select Market, the existing trading market for our common stock, or sales made to or through a market maker other than on an exchange.

We may issue to our existing security holders, through a dividend or similar distribution, rights to purchase shares of our common stock or preferred stock, which may or may not be transferable. In any distribution of rights to our existing security holders, if all of the underlying securities are not subscribed for, we may then sell the unsubscribed securities directly to third parties or may engage the services of one or more underwriters, dealers or agents, including standby underwriters, to facilitate the distribution of the unsubscribed securities. The applicable prospectus supplement will describe the specific terms of any offering of our common stock or preferred stock through the issuance of rights including, if applicable, the material terms of any standby underwriting agreement or purchase agreement.

Sales Through Underwriters, Dealers or Agents; Direct Sales

If we use underwriters in any sale of securities offered under this prospectus, the underwriters will buy the securities for their own account, including through underwriting, purchase, security lending or repurchase agreements with us. The underwriters may then resell the securities in one or more transactions at a fixed public offering price or at varying prices determined at the time of sale or thereafter. Unless otherwise indicated in the prospectus supplement, the obligations of the underwriters to purchase the securities will be subject to certain conditions and the underwriters will be obligated to purchase all the securities offered if they purchase any securities. The public offering price for the securities and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

If we use dealers in any sale of securities offered under this prospectus, the securities will be sold to such dealers as principals. The dealers may then resell the securities to the public at varying prices to be determined by such dealers at the time of resale.

If agents are used in any sale of securities offered under this prospectus, they will use their reasonable best efforts to solicit purchases for the period of their appointment or to sell our securities on a continuing basis. If required, the prospectus supplement relating to any particular offering of securities will name any agents designated to solicit offers and will include information about any commissions they may be paid in that offering.

If securities offered under this prospectus are sold directly, no underwriters, dealers or agents would be involved.

We are not making an offer of securities in any state that does not permit such an offer. If we sell securities through dealers or agents, or directly, the terms of any such sales will be described in the applicable prospectus supplement.

Delayed Delivery Contracts

We may authorize underwriters, dealers or agents to solicit offers from certain institutions whereby the institution contractually agrees to purchase the securities offered under this prospectus from us on a future date at a specific price. This type of contract may be made only with institutions that we specifically approve. Such institutions could include banks, insurance companies, pension funds, investment companies and educational and charitable institutions. The underwriters, dealers or agents will not be responsible for the validity or performance of these contracts. The prospectus supplement relating to the contracts will set forth the price to be paid for offered securities pursuant to such contracts, the commission payable for solicitation of the contracts and the date or dates in the future for delivery of offered securities pursuant to the contracts.

Market Making, Stabilization and Other Transactions

Each issue of a new series of securities, other than issuances of our common stock, will not have an established trading market, except as indicated in the applicable prospectus supplement. Unless indicated in the applicable prospectus supplement, we do not expect to list the offered securities on a securities exchange, except for our common stock, which is listed on the Nasdaq Global Select Market. We can provide no assurance as to whether any of our securities will have a liquid trading market.

In order to facilitate the offering of any of the securities offered under this prospectus, the underwriters with respect to any such offering may, as described in the prospectus supplement and in accordance with applicable law, engage in transactions that stabilize, maintain or otherwise affect the price of the securities or any other securities the prices of which may be used to determine payments on these securities. Stabilizing transactions involve bids to purchase the underlying security in the open market for the purpose of preventing or delaying a decline in the price of the securities. Syndicate covering transactions involve purchases of the securities in the open market after the distribution has been completed in order to cover syndicate short positions. Penalty bids permit the underwriters to reclaim a selling concession from a syndicate member when the securities originally sold by the syndicate member are purchased in a stabilizing or syndicate covering transaction to cover syndicate short positions. Any of these activities may have the effect of raising or maintaining the market price of our securities or preventing or delaying a decline in the market price of our securities. As a result, the market price of the securities may be higher than it otherwise would be in the absence of these transactions. The underwriters are not required to engage in these activities, and may end any of these activities at any time, all as described in the applicable prospectus supplement.

Any person participating in the distribution of securities will be subject to applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including Regulation M, which may limit the timing of transactions involving the securities offered under this prospectus. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of such securities to engage in market-making activities with respect to the particular securities being distributed. All of the above may affect the marketability of the securities offered under this prospectus and the ability of any person or entity to engage in market-making activities with respect to such securities.

Derivative Transactions and Hedging

We, the underwriters or other agents engaged by us may engage in derivative transactions involving the securities. These derivatives may consist of short sale transactions and other hedging activities. The underwriters or agents may acquire a long or short position in the securities, hold or resell securities acquired and purchase options or futures on the securities and other derivative instruments with returns linked or related to changes in the price of the securities. In order to facilitate

these derivative transactions, we may enter into security lending or repurchase agreements with the underwriters or agents. The underwriters or agents may effect the derivative transactions through sales of the securities to the public, including short sales, or by lending the securities in order to facilitate short sale transactions by others. The underwriters or agents may also use the securities purchased or borrowed from us or others (or, in the case of derivatives, securities received from us in settlement of those derivatives) to directly or indirectly settle sales of the securities or close out any related open borrowings of the securities.

General Information

We expect that any agreements we may have with underwriters, dealers and agents will include provisions indemnifying them against certain civil liabilities, including certain liabilities under the Securities Act, or providing for contribution with respect to payments that they may be required to make. An underwriter, dealer or agent, or any of their affiliates, may be a customer of, or otherwise engage in transactions with or perform services for us in the ordinary course of business.

The specific terms of any lock-up provisions with respect to any given offering will be described in the applicable prospectus supplement.

Under the securities laws of various states, the securities offered under this prospectus may be sold in those states only through registered or licensed brokers or dealers. In addition, in various states the securities offered under this prospectus may not be offered and sold unless such securities have been registered or qualified for sale in the state or an exemption from such registration or qualification is available. We are not making an offer of securities in any state that does not permit such an offer.

LEGAL MATTERS

Item 15. Indemnification of Directors and Officers.

Sections 1-850 through 1-859 of the Louisiana Business Corporation Act (the "LBCA"), provide, in part, that Origin Bancorp, Inc. (referred to herein as the "Company", the "Registrant" or "we") may indemnify each of its current or former directors and officers (each, an "indemnitee") against liability (including judgments, settlements, penalties, fines or reasonable expenses) incurred by the indemnitee in a proceeding to which the indemnitee is a party if the indemnitee acted in good faith and reasonably believed either (i) in the case of conduct in an official capacity, that the indemnitee's conduct was in the best interests of the Company or (ii) in all other cases, that the indemnitee's conduct was at least not opposed to the best interests of the Company, and, with respect to any criminal proceeding, the indemnitee had no reasonable cause to believe his or her conduct was unlawful. Under the LBCA, we may also advance expenses to the indemnitee provided that the indemnitee delivers (a) a written affirmation of his or her good faith belief that the relevant standard of conduct has been met or that the proceeding involves conduct for which liability has been eliminated and (b) a written undertaking to repay any funds advanced if (x) the indemnitee is not entitled to mandatory indemnification by virtue of being wholly successful, on the merits or otherwise, in the defense of any such proceeding and (y) it is ultimately determined that the indemnitee has not met the relevant standard of conduct. In addition, we have the power to obtain and maintain insurance with respect to any person who is or was acting on our behalf, regardless of whether we have the legal authority to indemnify, or advance expenses to, the insured person with respect to such liability. In furtherance of this authority, we maintain directors' and officers' liability insurance.

Under the LBCA, a corporation must indemnify any present or former director or officer of a corporation for expenses incurred in connection with a proceeding if such person was wholly successful, on the merits or otherwise, in defense of any proceeding, that he or she was a party to by virtue of the fact that he or she is or was a director or officer of the corporation. This mandatory indemnification requirement does not limit the Company's right to permissibly indemnify a director or officer with respect to expenses of a partially successful defense of any proceeding.

Our Restated Articles of Incorporation contain indemnification provisions that require us to indemnify each of our directors and officers from and against any and all expenses, liabilities or other matters covered by the LBCA, as to action in his or her official capacity while holding office, to the fullest extent permitted by the LBCA. Our Restated Articles of Incorporation provide for mandatory advancement of expenses of directors and officers, so long as we receive (i) a written affirmation from the director or officer of his or her good faith belief that he or she has satisfied the standard of conduct necessary for indemnification under the LBCA and our Bylaws and (ii) an undertaking by or on behalf of the director or officer to repay all amounts advanced if it is later determined that he or she is not entitled to indemnification.

Our Restated Articles of Incorporation permit, but do not require, us to grant rights to indemnification and advancement of expenses to any of our employees or agents, or to any director, officer, employee or agent of any of our subsidiaries, to the fullest extent permitted by the LBCA. Our Restated Articles of Incorporation do not limit our ability to provide for additional rights to indemnification or advancement of expenses through our Bylaws, a resolution of stockholders or directors, an agreement or otherwise, as long as those rights are consistent with the LBCA.

The foregoing is only a general summary of certain aspects of Louisiana law and our governing documents addressing indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to our Restated Articles of Incorporation, which are filed as an exhibit to this registration statement, and to the relevant provisions of the LBCA.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"), may be permitted to directors, officers or persons controlling the Registrant under any of the foregoing provisions, in the opinion of the Securities and Exchange Commission, that indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. Finally, the Registrant's ability to provide indemnification to its directors and officers is limited by federal banking laws and regulations, including, without limitation, 12 U.S.C. 1828(k).

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the

undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by such undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(8) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.

THIS INDENTURE, dated as of [_____, _____], between Origin Bancorp, Inc., a corporation duly organized and existing under the laws of the State of Louisiana (the "Company"), and [_____, _____], as trustee (the "Trustee," which term shall include any successor trustee appointed pursuant to Article 7 of this Indenture).

WHEREAS, the Company deems it necessary to issue from time to time for its lawful purposes securities (the "Securities") evidencing its indebtedness and has duly authorized the execution and delivery of this Indenture to provide for the issuance of the Securities in one or more series, unlimited as to principal amount, to bear such rates of interest, to mature at such time or times, and to have such other provisions as shall be fixed as hereinafter provided; and

WHEREAS, the Company represents that all acts and things necessary to constitute these presents a valid indenture and agreement according to its terms have been done and performed, and the execution of this Indenture has in all respects been duly authorized, and the Company, in the exercise of legal right and power in it vested, is executing this Indenture;

NOW, THEREFORE:

In order to declare the terms and conditions upon which the Securities are authenticated, issued and received, and in consideration of the premises, of the purchase and acceptance of the Securities by the holders thereof and of the sum of One Dollar to it duly paid by the Trustee at the execution of these presents, the receipt whereof is hereby acknowledged, the Company covenants and agrees with the Trustee, for the equal and proportionate benefit of the respective holders from time to time of the Securities, as follows:

ARTICLE 1
DEFINITIONS

SECTION 1.01. Definitions.

The terms defined in this Section (except as herein otherwise expressly provided or unless the context otherwise requires) for all purposes of this Indenture and of any supplemental indenture shall have the respective meanings specified in this Section. All other terms used in this Indenture that are defined in the Trust Indenture Act or that are by reference therein defined in the Securities Act shall have the meanings (except as herein otherwise expressly provided or unless the context otherwise requires) assigned to such terms in the Trust Indenture Act or in the Securities Act, as applicable, in each case as in force at the date of this Indenture as originally executed. All accounting terms used herein and not expressly defined shall have the meanings assigned to such terms in accordance with United States generally accepted accounting principles, and the term “generally accepted accounting principles” means such accounting principles as are generally accepted at the time of any computation. SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.

The Securities shall be signed on behalf of the Company by its Chief Executive Officer or its Chief Financial Officer. Such signatures may be the manual or facsimile signatures of such then-current officers.

Coupons shall bear the facsimile signature of the Secretary or one of the Assistant Secretaries of the Company or such other officer of the Company as may be specified pursuant to Section 2.03(b). Any Security or coupon may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities and coupons bearing the manual or facsimile signatures of individuals who were, at the actual date of the execution of such Security or coupon, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, or the delivery of such coupons, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officer's Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and coupons and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, shall deliver a similar Officer's Certificate each year on the anniversary of the date of the first such Officer's Certificate. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing. Except as permitted by Section 2.09, the Trustee shall not authenticate and deliver any Bearer Security unless all appurtenant coupons for interest then matured have been detached and cancelled.

Prior to the issuance of a Security of any new series and any related coupons, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

- (a) The Board Resolution or Officer's Certificate or supplemental indenture establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;
- (b) An Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in such form have been complied with; and
- (c) An Opinion of Counsel stating that the form and terms of such Securities and coupons, if any, have been established in conformity with the provisions of this Indenture; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof, any coupons and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such

Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officer's Certificate or supplemental indenture; and each Bearer Security shall be dated as of the date of original issuance of the first Security of such series to be issued unless otherwise specified pursuant to Section 2.03 hereof.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officer's Certificate or supplemental indenture delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security or coupon shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, or the Security to which such coupon appertains, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

SECTION 2.07. Exchange and Registration of Transfer of Securities.

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive. Registered Securities, including Registered Securities received in exchange for Bearer Securities, may not be exchanged for Bearer Securities, unless the Company otherwise expressly provides for the issuance, upon such terms and conditions as may be provided with respect to such series, by the Company of Registered Securities of a series that may be exchanged, at the option of the securityholder upon such conditions and limitations as may be specified by the Company, for Bearer Securities of such series.

At the option of the holder, Bearer Securities of any series may be exchanged for Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Bearer Securities to be exchanged at any such office or agency, with all unmatured coupons (except as provided below) and with all matured coupons in default appertaining thereto. If the holder of a Bearer Security is unable to produce any such unmatured coupon or coupons or matured coupon or coupons in default, such exchange

may be effected if the Bearer Securities are accompanied by payment in funds acceptable to the Company in an amount equal to the face amount of such missing coupon or coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Securities shall surrender to any paying agent any such missing coupon in respect of which such a payment shall have been made, such holder shall be entitled to receive the amount of such payment; provided, that, except as otherwise provided in Section 4.02, interest represented by coupons shall be payable only upon presentation and surrender of those coupons at an office or agency located outside the United States and its Possessions. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such office or agency in exchange for a Registered Security of the same series and like tenor after the close of business at such office or agency on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as set forth in Section 2.05, such Bearer Security shall be surrendered without the coupon relating to such interest payment date or proposed date for payment, as the case may be, and interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the holder of such coupon when due in accordance with the provisions of this Indenture.

Whenever any Securities are so surrendered for exchange, the Company shall execute and register, and the Trustee shall authenticate and make available for delivery, the Securities which the holder making the exchange is entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his or her attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed, or (3) to exchange any Bearer Security so selected for redemption except that such a Bearer Security may be exchanged for a Registered Security of that series and of like tenor, provided that such Registered Security shall be simultaneously surrendered for redemption.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent global Security executed by the Company. On or after the earliest date on which such interests may be so exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the U.S. Depositary (which instructions shall be in writing), such permanent global Security shall be surrendered from time to time by the U.S. Depositary, or such other depositary or U.S. Depositary, as the case may be, as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the

Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent global Security to be exchanged which (unless the Securities of the series are not issuable both as Bearer Securities and as Registered Securities, in which case the definitive Securities exchanged for the permanent global Security shall be issuable only in the form in which the Securities are issuable, as specified as contemplated by Section 2.03(b)), shall be in the form of Bearer Securities or Registered Securities, or any combination thereof, as shall be specified by the beneficial owner thereof; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption; and provided further, that no Bearer Security delivered in exchange for a portion of a permanent global security shall be mailed or otherwise delivered to any location in the United States or its Possessions. Promptly following any such exchange in part, such permanent global Security should be returned by the Trustee or the Security Registrar to the U.S. Depository, or such other depository or U.S. Depository referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent global Security is payable in accordance with the provisions of this Indenture.

SECTION 2.08. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series (typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form or, if authorized, in bearer form with one or more or without coupons, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law. In the case of any series issuable as Bearer Securities, such temporary Securities shall be delivered only in compliance with the conditions set forth in Section 2.06 and may be in global form.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series (accompanied by any unmatured coupons appertaining thereto), the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations; provided, that, except as otherwise expressly provided by the Company as contemplated in Section 2.07(b), no definitive Bearer Security shall be delivered in exchange for a temporary Registered Security; and provided further, however, that a definitive Bearer Security shall be delivered in exchange for a temporary Bearer Security only in compliance with the conditions set forth in Section 2.06.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date such temporary global Security shall be presented and surrendered by the U.S. Depository to the Trustee, as the Company's agent for such purpose,

or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged.

Every temporary Security shall be executed by the Company and shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities and Coupons.

If any mutilated Security or a Security with a mutilated coupon appertaining thereto is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to the surrendered Security.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security or coupon and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security or coupon has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph, execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security or in exchange for the Security to which a destroyed, lost or stolen coupon appertains (with all appurtenant coupons not destroyed, lost or stolen), a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to such destroyed, lost or stolen Security or to the Security to which such destroyed, lost or stolen coupon appertains.

In case any such mutilated, destroyed, lost or stolen Security or coupon has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security or coupon; provided, however, that principal of (and premium, if any, on) and any interest on Bearer Securities shall, except as otherwise provided in Section 4.02, be payable only at an office or agency located outside the United States and its Possessions.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series, with any coupons appertaining thereto, issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for a Security to which a destroyed, lost or stolen coupon appertains, shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security and any coupons appertaining thereto, or the destroyed, lost or stolen coupon shall be at any time enforceable by anyone, and any such new Security and coupons, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series and their coupons, if any, duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons.

SECTION 2.10. Cancellation.

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, and any coupons surrendered for payment, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities and matured coupons so delivered shall be promptly cancelled by the Trustee. All Bearer Securities and unmatured coupons so delivered shall be held by the Trustee, and upon instruction by a Company

Order, shall be cancelled or held for reissuance. All Bearer Securities and unmatured coupons held by the Trustee pending such cancellation or reissuance shall be deemed to be delivered for cancellation for all purposes of this Indenture and the Securities. The Company may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities and coupons held by the Trustee shall be delivered to the Company or disposed of (including by destruction of such Securities in accordance with the Trustee's customary procedures) as directed by the Company. Upon written request in the form of a Company Order, the Company may direct the Trustee to deliver a certificate of such disposal or destruction to the Company.

SECTION 2.11. Book Entry Only System.

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the U.S. Depository or other depository designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the U.S. Depository or such other depository will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the U.S. Depository or such other depository, as the case may be.

ARTICLE 3 REDEMPTION OF SECURITIES

SECTION 3.01. Redemption of Securities, Applicability of Section.

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

SECTION 3.02. Notice of Redemption, Selection of Securities.

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company, or, at the Company's request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in a Board Resolution, as described in Section 2.03, or (b) as determined by the Chief Executive Officer or the Chief Financial Officer of the Company (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officer's Certificate specifying the period of notice of such redemption. If the Board Resolutions or an Authorized Officer do not specify a period of notice of such redemption, the Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least 10 Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to

give any notice of redemption, it shall make such request at least 10 days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities, together, in the case of Bearer Securities, with all coupons appertaining thereto, if any, maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, pro rata, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

SECTION 3.03. Payment of Securities Called for Redemption.

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue and the coupons, if any, for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. On presentation and surrender of such Securities subject to redemption at the Place of Payment and in the manner specified in such notice, together with all coupons, if any, appertaining thereto and maturing after the date specified in such notice for redemption, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that installments of interest on Bearer Securities whose stated maturity date is on or prior to the date of redemption shall be payable only at an office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of coupons for such interest; and provided further, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

If any Bearer Security surrendered for redemption shall not be accompanied by all appurtenant coupons maturing after the date of redemption, such Security may be paid after deducting from the redemption price an amount equal to the face amount of all such missing coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Security shall surrender to the Trustee or any paying agent any such missing coupon in respect of which a deduction shall have been made from the redemption price, such holder shall be entitled to receive the amount so deducted; provided, that interest represented by coupons shall be payable only at an office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of those coupons.

Any Security (including any coupons appertaining thereto) that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary global Security or permanent global Security is so surrendered, such new Security so issued shall be a new temporary global Security or permanent global Security, respectively.

SECTION 3.04. Redemption Suspended During Event of Default.

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or notice, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY

SECTION 4.01. Payment of Principal, Premium and Interest.

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities, any coupons appertaining thereto and this Indenture. Unless otherwise specified as contemplated by Section 2.03(b) with respect to any series of Securities, any interest due on and any Additional Amounts payable in respect of Bearer Securities on or before maturity shall be payable only upon presentation and surrender of the several coupons for such interest installments as are evidenced thereby as they severally mature.

SECTION 4.02. Offices for Notices and Payments, etc.

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Company will maintain (a) in the contiguous United States, an office or agency where any Registered Securities of that series may be presented or surrendered for

payment, where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange, where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served and where Bearer Securities of that series and related coupons may be presented or surrendered for payment in the circumstances described below (and not otherwise), (b) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where Securities of that series and related coupons may be presented and surrendered for payment; provided, that if the Securities of that series are listed on The International Stock Exchange of the United Kingdom and the Republic of Ireland, Limited, the Luxembourg Stock Exchange or any other stock exchange located outside the United States and its Possessions and such stock exchange shall so require, the Company will maintain a paying agent for the Securities of that series in London, Luxembourg or any other required city located outside the United States and its Possessions, as the case may be, so long as the Securities of that series are listed on such exchange, and (c) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, except that Bearer Securities of that series and the related coupons may be presented and surrendered for payment at any paying agent for such series located outside the United States and its Possessions.

No payment of principal, premium or interest on Bearer Securities shall be made at any office or agency of the Company in the United States or its Possessions or by check mailed to any address in the United States or its Possessions or by transfer to any account maintained with a financial institution located in the United States or its Possessions; provided, that, if the Securities of a series are denominated and payable in Dollars, payment of principal of (and premium, if any) and any interest on any Bearer Security shall be made at the office of the Company's paying agent in the contiguous United States, if (but only if) payment in Dollars of the full amount of such principal, premium, interest or Additional Amounts, as the case may be, at all offices or agencies outside the United States and its Possessions maintained for the purpose by the Company in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Corporate Trust Office as the office of the Company in the contiguous United States where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served; provided that the Corporate Trust Office shall not be an office or agency of the Company for the service of legal process against the Company.

SECTION 4.03. Provisions as to Paying Agent.

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such

sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

SECTION 4.04. Statement as to Compliance.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), a written statement signed by the Chief Executive Officer or other principal executive officer and by the Chief Financial Officer or other principal financial officer or principal accounting officer of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his or her supervision; and

(b) to the best of his or her knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him or her and the nature and status thereof.

SECTION 4.05. Corporate Existence.

Subject to the provisions of Article 11, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises and the corporate existence and rights (charter and statutory) and franchises of its Subsidiaries; provided, that except as set forth in Section 4.06 below, the Company shall not be required to, or to cause any Subsidiary to, preserve any right or franchise or to keep in full force and effect the corporate existence of any Subsidiary if the Company shall determine that the keeping in existence or preservation thereof is no longer desirable in or consistent with the conduct of the business of the Company.

SECTION 4.06. Ownership of Material Subsidiary Stock.

Except as otherwise specified with respect to a series of Securities in accordance with the provisions of Section 2.03 and subject to the provisions of Article 11, so long as any of the Securities are outstanding, the Company:

(a) will not, nor will it permit the Material Subsidiary to, directly or indirectly, sell, assign, pledge, transfer or otherwise dispose of any shares of, securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary, nor will the Company permit the Material Subsidiary to issue any shares of, or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary if, in each case, after giving effect to any such transaction and to the issuance of the maximum number of shares of Voting Stock of the Material Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, the Company would cease to own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of the Material Subsidiary; and

(b) will not permit the Material Subsidiary to:

(1) merge or consolidate with or into any corporation or other Person, unless the Material Subsidiary is the surviving corporation or Person, or unless, upon consummation of the merger or consolidation, the Company will own, directly or indirectly, at least 80% of the surviving corporation's issued and outstanding Voting Stock;

(2) lease, sell, assign or transfer all or substantially all of its properties and assets to any Person (other than the Company), unless, upon such sale, assignment or transfer, the Company will own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of that Person; or

(3) pay any dividend in Voting Stock of a Material Subsidiary or make any other distribution in Voting Stock of a Material Subsidiary (other than to the Company), unless the Material Subsidiary to which the transaction relates, after obtaining any necessary regulatory approvals, unconditionally guarantees payment of the principal and any premium and interest on the Securities.

Notwithstanding the foregoing, any such sale, assignment, pledge or transfer of securities, any such merger or consolidation or any such lease, sale, assignment, pledge or transfer of properties and assets shall not be prohibited if: (A) required by law, such lease, sale, assignment or transfer of securities is made to any Person for the purpose of the qualification of such Person to serve as a director; (B) such lease, sale, assignment or transfer of securities is made by the Company or any of its Subsidiaries acting in a fiduciary capacity for any Person other than the Company or any Subsidiary; (C) made in connection with the consolidation of the Company with or the sale, lease or conveyance of all or substantially all of the assets of the Company to, or merger of the Company with or into any other Person (as to which Article 11 of this Indenture shall apply); or (D) required as a condition imposed by any law or any rule, regulation or order of any governmental agency or authority to the acquisition by the Company, directly or indirectly, through purchase of stock or assets, merger, consolidation or otherwise, of any Person; provided, that, in the case of clause (D) only, after giving effect to such disposition and acquisition, (x) at least 80% of the issued and outstanding Voting Stock of such Person will be owned, directly or indirectly, by the Company and (y) the consolidated assets of the Company will be at least equal to 70% of the consolidated assets of the Company prior thereto; and nothing in this Section 4.06 shall prohibit the Company or the Material Subsidiary from the sale or transfer of assets pursuant to any securitization transaction or the pledge of any assets to secure borrowings incurred in the ordinary course of business, including, without limitation, deposit liabilities, mortgage escrow funds, reverse repurchase agreements, Federal Home Loan Bank of Dallas, recourse obligations incurred in connection with the Material Subsidiary's lending activities and letters of credit.

SECTION 4.07. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition set forth herein if before or after the time for such compliance the holders of a majority in principal amount of the Securities of all series affected thereby then Outstanding shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of

the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE 5
SECURITYHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE

SECTION 5.01. Securityholder Lists.

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee as the Trustee may request in writing, a list, in such form and as of such date as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

SECTION 5.02. Preservation and Disclosure of Lists.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Company, the Trustee, the Security Registrar and anyone else shall have the protection of Section 312(c) of the Trust Indenture Act with respect to the sending of any material pursuant to a request made pursuant to Section 312(b) of the Trust Indenture Act.

SECTION 5.03. Reports by the Company.

The Company covenants so long as Securities are Outstanding:

(a) to file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports that may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) to file with the Trustee and the Commission, in accordance with the rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants provided for in this Indenture as may be required from time to time by such rules and regulations; and

(c) to transmit by mail to all the holders of Registered Securities of each series, as the names and addresses of such holders appear on the registry books, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company with respect to each such series pursuant to subsections (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

SECTION 5.04. Reports by the Trustee.

(a) On or about [_____, _____], so long as any Securities are outstanding hereunder and if there has been any change in the following, the Trustee shall transmit by mail, first class postage prepared, to the securityholders, as their names appear upon the Security Register, a brief report dated as of the preceding

[_____, _____], if and to the extent required under Section 313(a) of the Trust Indenture Act, detailing certain events that occurred within the previous 12 months.

(b) The Trustee shall comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(c) A copy of each such report shall, at the time of such transmission to securityholders, be filed by the Trustee with the Company, with each stock exchange upon which any Securities are listed (if so listed) and also with the Commission. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange.

ARTICLE 6 REMEDIES

SECTION 6.01. Events of Default; Acceleration of Maturity.

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

(a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;

(b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;

(c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;

(d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or the Material Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Material Subsidiary or for any substantial part of their respective property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(e) the Company or the Material Subsidiary shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of a decree or order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or the Material Subsidiary or for any substantial part of their respective property, or shall make any general assignment for the benefit of creditors; or

(f) any other Event of Default provided with respect to Securities of that series;

then, if an Event of Default described in clause (a), (b), (c) or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, the principal

amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) shall be automatically deemed immediately due and payable.

SECTION 6.02. Rescission and Annulment.

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence, bad faith or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

- (a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days,
- (b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, or
- (c) default is made in the deposit of any sinking fund payment when and as due by the terms of a Security,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities and any coupons appertaining thereto, the whole amount that shall have become due and payable on such Securities and coupons for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04. Trustee May File Proofs of Claim.

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities and coupons allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities and coupons to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities and coupons, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities and coupons may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security or a coupon any plan of reorganization, arrangement, adjustment or composition affecting the Securities or coupons or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security or a coupon in any such proceeding.

SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities or Coupons.

All rights of action and claims under this Indenture or the Securities or coupons may be prosecuted and enforced by the Trustee without the possession of any of the Securities or coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities and coupons in respect of which such judgment has been recovered.

SECTION 6.06. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities or coupons, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06;

SECOND: To the payment of all senior Indebtedness of the Company if and to the extent required by Article 16;

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities and coupons, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities and coupons, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

SECTION 6.07. Limitation on Suits.

No holder of any Security of any series or any related coupons shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such holder has previously given written notice to the Trustee of a continuing Event of Default;

(2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such holder or holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities.

SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the holder of any Security or coupon shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security or payment of such coupon on the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

SECTION 6.09. Restoration of Rights and Remedies.

If the Trustee or any holder of a Security or coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities and coupons shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative.

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities or coupons is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any holder of any Security or coupon to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities or coupons may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities or coupons, as the case may be.

SECTION 6.12. Control by Securityholders.

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting.

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary global Security or a permanent global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date; provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

SECTION 6.13. Waiver of Past Defaults.

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series and any coupons appertaining thereto, waive any past default hereunder and its consequences, except a default:

- (1) in the payment of the principal of, premium, if any, or any interest on any Security;
- (2) described in clauses (d) or (e) of Section 6.01; or
- (3) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14. Undertaking for Costs.

All parties to this Indenture agree, and each holder of any Security or coupon by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities or coupons for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security or the payment of any coupon on or after the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

SECTION 6.15. Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 CONCERNING THE TRUSTEE

SECTION 7.01. Duties and Responsibilities of Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 7.02. Reliance on Documents, Opinions, etc.

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Trustee may consult with counsel and the written advice of such counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities or any related coupons pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity reasonably satisfactory to the Trustee against the losses, costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event shall the Trustee be liable to any person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(i) the Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers or otherwise in respect of the Indenture.

SECTION 7.03. No Responsibility for Recitals, etc.

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, and in any coupons shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities or coupons, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 7.04. Ownership of Securities.

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and coupons with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

SECTION 7.05. Moneys to be Held in Trust.

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

SECTION 7.06. Compensation and Expenses of Trustee.

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as the Company and the Trustee shall from time to time agree in writing (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, bad faith or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify the Trustee for, and to hold it harmless against, any and all loss, damage, claims, liability or expense, including taxes (other than taxes based upon, measured or determined by, the income of the Trustee) incurred without negligence, bad faith or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself

against any claim of liability and enforcing the provisions of this Section 7.06. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The Company's obligations under this Section 7.06 shall survive satisfaction and discharge of the Indenture, payment of the Securities and any resignation or removal of the Trustee hereunder.

SECTION 7.07. Officer's Certificate as Evidence.

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such certificate, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

SECTION 7.09. Eligibility of Trustee.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

SECTION 7.10. Resignation or Removal of Trustee.

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with the provisions of Section 310(b) of the Trust Indenture Act, as specified in Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months,

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder, or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

SECTION 7.11. Acceptance by Successor Trustee.

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver a supplemental indenture which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within 10 days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

SECTION 7.12. Successor by Merger, etc.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13. Limitations on Rights of Trustee as Creditor.

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

SECTION 7.14. Notice of Default.

Within 90 days after the occurrence of any default on a series of Securities hereunder, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.15. Appointment of Authenticating Agent.

The Trustee may appoint an authenticating agent or agents (which may be an affiliate or affiliates of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue or upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 2.09, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers or to otherwise act as authenticating agent, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, and (c) shall have at all times a combined capital and surplus of not less than \$50,000,000. If such authenticating agent publishes reports of condition at least annually, pursuant to law or to

the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such authenticating agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an authenticating agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such authenticating agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such authenticating agent, shall continue to be an authenticating agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

An authenticating agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an authenticating agent by giving written notice thereof to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such authenticating agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor authenticating agent which shall be acceptable to the Company and shall promptly give notice of such appointment to all holders of Securities in the manner and to the extent provided in Section 15.04. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each authenticating agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

If all of the Securities of a series may not be originally issued at one time, and the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Company wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing, shall appoint in accordance with this Section an authenticating agent (which, if so requested by the Company, shall be such affiliate of the Company) having an office in a Place of Payment designated by the Company with respect to such series of Securities, provided that the terms and conditions of such appointment are acceptable to the Trustee.

ARTICLE 8 CONCERNING THE SECURITYHOLDERS

SECTION 8.01. Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any authorization, notice, consent or waiver or the taking of any other action), the fact that at the time

of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by securityholders in person or by agent or proxy appointed in writing, (b) if Securities of a series are issuable as Bearer Securities, by the record of the holders of Securities voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of securityholders of such series duly called and held in accordance with the provisions of Article 9, or (c) by a combination of such instrument or instruments and any such record of such a meeting of securityholders.

In determining whether the holders of a specified percentage in aggregate principal amount of the Securities of any or all series have taken any action (including the making of any demand or request, the giving of any authorization, direction, notice, consent or waiver or the taking of any other action), (i) the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such of such action is evidenced to the Trustee, and (ii) the principal amount of a Security denominated in a foreign currency or currency unit shall be the U.S. dollar equivalent, determined as of the date of original issuance of such Security in accordance with Section 2.03(b) hereof, of the principal amount of such Security.

SECTION 8.02. Proof of Execution by Securityholders.

Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a securityholder or its agent or proxy, or of the holding by any person of a Security, shall be sufficient and conclusive in favor of the Trustee and the Company if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The principal amount and serial numbers of Registered Securities held by any person, and the date of holding the same, shall be proved by the Security Register. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may be proved by the production of such Bearer Securities or by a certificate executed, as depository, by any trust company, bank, banker or other depository, wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with such depository, or exhibited to it, the Bearer Securities therein described; or such facts may be proved by the certificate or affidavit of the person holding such Bearer Securities, if such certificate or affidavit is deemed by the Trustee to be satisfactory. The Trustee and the Company may assume that such ownership of any Bearer Security continues until (1) another certificate or affidavit bearing a later date issued in respect of the same Bearer Security is produced, (2) such Bearer Security is produced to the Trustee by some other person, (3) such Bearer Security is surrendered in exchange for a Registered Security, or (4) such Bearer Security is no longer Outstanding. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may also be provided in any other manner which the Trustee deems sufficient.

The record of any securityholders' meeting shall be proved in the manner provided in Section 9.06.

SECTION 8.03. Who Are Deemed Absolute Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05, any interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his or her order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Title to any Bearer Security and any coupons appertaining thereto shall pass by delivery. The Company, the Trustee and any agent of the Company or of the Trustee may treat the bearer of any Bearer Security and the bearer of any coupon as the owner of such Security or coupon for the purpose of receiving payment thereof or on account

thereof and for all other purposes whatsoever, whether or not such Security or coupon be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any temporary or permanent global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a U.S. Depository, or impair, as between a U.S. Depository and holders of beneficial interests in any temporary or permanent global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the U.S. Depository as holder of such temporary or permanent global Security.

SECTION 8.04. Company-Owned Securities Disregarded.

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall provide full protection to the Trustee.

SECTION 8.05. Revocation of Consents; Future Securityholders Bound.

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

SECTION 8.06. Record Date.

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the Corporate Trust Office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

ARTICLE 9
SECURITYHOLDERS' MEETINGS

SECTION 9.01. Purposes of Meeting.

A meeting of holders of any or all series of Securities may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by securityholders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 9.02. Call of Meetings by Trustee.

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York or Ruston, Louisiana as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

SECTION 9.03. Call of Meetings by Company or Securityholders.

In case at any time the Company, pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Securities of any or all series, as the case may be, then Outstanding, shall have requested the Trustee to call a meeting of securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have provided notice of such meeting in the manner provided in Section 15.04 within 30 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in New York, New York or Ruston, Louisiana for such meeting and may call such meeting by giving notice thereof as provided in Section 9.02.

SECTION 9.04. Qualifications for Voting.

To be entitled to vote at any meeting of securityholders a person shall be a holder of one or more Securities of such series Outstanding with respect to which a meeting is being held or a person appointed by an instrument in writing as proxy by such a holder or holders. The only persons who shall be entitled to be present or to speak at any meeting of the securityholders of any series shall be the persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 9.05. Regulations.

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8 or by having the signature of the person executing the

proxy witnessed or guaranteed by any trust company, bank or banker authorized by Article 8 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the U.S. Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him or her; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

SECTION 9.06. Voting.

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

ARTICLE 10 SUPPLEMENTAL INDENTURES

SECTION 10.01. Supplemental Indentures without Consent of Securityholders.

Without the consent of any holders of Securities or coupons, the Company, when authorized by or pursuant to Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for one or more of the following purposes:

(a) to evidence the succession of another corporation to the Company, or successive successions, pursuant to Article 11 hereof, and the assumption by the successor corporation of the covenants, agreements and obligations of the Company herein and in the Securities;

(b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as its Board of Directors shall consider to be for the protection of the holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

(c) to add to or change any of the provisions of this Indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit or facilitate the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the holders of Securities of any series or any related coupons in any material respect;

(d) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act or any corresponding provision in any similar federal statute hereafter enacted;

(e) to modify, eliminate or add to any of the provisions of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security of any series Outstanding and created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security Outstanding;

(f) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture; to convey, transfer, assign, mortgage or pledge any property to or with the Trustee; or to make such other provisions in regard to matters or questions arising under this Indenture, provided such other provisions shall not adversely affect in any material respect the interests of the holders of the Securities or any related coupons, including provisions necessary or desirable to provide for or facilitate the administration of the trusts hereunder;

(g) to secure any series of Security; and

(h) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

SECTION 10.02. Supplemental Indentures with Consent of Holders.

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series and any related coupons under this Indenture; provided, that no such supplemental indenture shall (1) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (2) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental indenture, without the consent of the holders of all Securities then Outstanding, (3) modify the subordination provisions in a manner adverse to the holders of such Securities, or (4) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder and of any coupons appertaining thereto shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officer's Certificate or an Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10.

SECTION 10.04. Notation on Securities.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

ARTICLE 11 CONSOLIDATION, MERGER, SALE OR CONVEYANCE

SECTION 11.01. Company May Consolidate, etc., on Certain Terms.

The Company covenants that it will not merge into or consolidate with any other corporation or sell or convey all or substantially all of its assets to any person, firm or corporation, unless (1) either the Company shall be the continuing corporation, or the successor corporation (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a state thereof or the District of Columbia and such corporation shall expressly assume the due and punctual payment of the principal of (and premium, if any, on) and any interest on all the Securities, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by supplemental indenture, executed and delivered to the Trustee by such corporation, and (2) the Company or such

successor corporation, as the case may be, shall not, immediately after such merger or consolidation, or such sale or conveyance, be in default in the performance of any such covenant or condition.

SECTION 11.02. Successor Corporation Substituted.

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

In case of any such consolidation, merger, sale or conveyance such changes in phrasing and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

SECTION 11.03. Opinion of Counsel and Officer's Certificate to Trustee.

The Trustee shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, complies with the provisions of this Article 11 and that all conditions precedent herein provided for relating to such transaction have been complied with.

ARTICLE 12
SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS

SECTION 12.01. Discharge of Indenture.

If at any time:

(a) the Company shall have delivered to the Trustee for cancellation all Securities of any series theretofore authenticated and all coupons, if any, appertaining thereto (other than (i) coupons appertaining to Bearer Securities surrendered for exchange for Registered Securities and maturing after such exchange, whose surrender is not required or has been waived as provided in Section 2.07, (ii) Securities and coupons that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.09, (iii) coupons appertaining to Securities called for redemption and maturing after the relevant redemption date, whose surrender has been waived as provided in Section 3.03, and (iv) Securities and coupons for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.03), or

(b) all such Securities of such series and, in the case of (a)(i) or (a)(ii) above, any coupons appertaining thereto not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (a)(i) or (a)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series and coupons not theretofore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at

the cost and expense of the Company and subject to Section 15.05, shall execute such instruments reasonably requested by the Company acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officer's Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.

Subject to the provisions of Section 12.03 and 12.04, all moneys deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company acting as its own paying agent), to the persons entitled thereto, of all sums due and to become due thereon for principal and interest (and premium, if any) for which payment of such money has been deposited with the Trustee.

SECTION 12.03. Paying Agent to Repay Moneys Held.

In connection with the satisfaction and discharge of this Indenture with respect to Securities of any series and the payment of all amounts due to the Trustee under Section 7.06, all moneys with respect to such Securities then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be repaid to it or paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such moneys.

SECTION 12.04. Return of Unclaimed Moneys.

Any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent on demand, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

SECTION 13.01. Indenture and Securities Solely Corporate Obligations.

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security or coupon, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities or coupons by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14
DEFEASANCE AND COVENANT DEFEASANCE**

SECTION 14.01. Applicability of Article.

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section

14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

SECTION 14.02. Defeasance and Discharge.

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities and other provisions in respect of the Trustee hereunder, and (d) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

SECTION 14.03. Covenant Defeasance.

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "covenant defeasance"). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment

of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No Default, or event that after notice or lapse of time, or both, would become a Default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(d) and Section 6.01(e) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a "conflicting interest" as defined in Section 310(b) of the Trust Indenture Act or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

ARTICLE 15 MISCELLANEOUS PROVISIONS

SECTION 15.01. Benefits of Indenture Restricted to Parties and Securityholders.

Nothing in this Indenture or in the Securities, expressed or implied, shall give or be construed to give to any person, firm or corporation, other than the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of senior Indebtedness), any legal or equitable right, remedy or claim under this Indenture or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of senior Indebtedness).

SECTION 15.02. Provisions Binding on Company's Successors.

All the covenants, stipulations, promises and agreements in this Indenture contained by or in behalf of the Company shall bind its successors and assigns, whether so expressed or not.

SECTION 15.03. Addresses for Notices, etc., to Company and Trustee.

Any notice or demand which by any provisions of this Indenture is required or permitted to be given or served by the Trustee or by the holders of Securities to or on the Company may be given or served by postage prepaid first class mail addressed (until another address is filed by the Company with the Trustee), as follows: Origin Bancorp, Inc., 500 South Service Road East, Ruston, Louisiana, Attn: Chief Financial Officer. Any notice, direction, request or demand by any securityholder to or upon the Trustee shall be deemed to have been sufficiently given or made, for all purposes, if given or made in writing at the Corporate Trust Office of the Trustee as set forth in Section 4.02.

SECTION 15.04. Notice to Holders of Securities; Waiver.

Except as otherwise expressly provided herein, where this Indenture provides for notice of holders of Securities of any event,

(a) such notice shall be sufficiently given to holders of Registered Securities if in writing and mailed, first-class postage prepaid, to each holder of a Registered Security affected by such event, at the address of such holder as it appears in the Security Register, not earlier than the earliest date, and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be sufficiently given to holders of Bearer Securities if published in an Authorized Newspaper in the Borough of Manhattan, the City of New York and in such other city or cities as may be specified in such Securities on a Business Day at least twice, the first such publication to be not earlier than the earliest date, and not later than the latest date, prescribed for the giving of such notice.

In any case where notice to holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder of a Registered Security shall affect the sufficiency of such notice with respect to other holders of Registered Securities or the sufficiency of any notice to holders of Bearer Securities given as provided herein.

Neither the failure to give notice by publication to holders of Bearer Securities as provided above, nor any defect in any notice so published, shall affect the sufficiency of any notice to holders of Registered Securities given as provided herein.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by holders of Securities shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any request, demand, authorization, direction, notice, consent or waiver required or permitted under this Indenture shall be in the English language, except that any published notice may be in an official language of the country of publication.

All Securities of any one series shall be substantially identical except as to denomination, interest rate, maturity and other similar terms and except as may be provided otherwise by or pursuant to such Board Resolution, Officer's Certificate or supplemental indenture.

SECTION 2.04. Securities in Global Form.

If Securities of a series are issuable in global form, as specified as contemplated by Section 2.03(b), then, notwithstanding clause (11) of Section 2.03(b) and the provisions of Section 2.05, any such Security in global form shall represent such of the Securities of such series Outstanding as shall be specified therein, and any such Security in global form may provide that it shall represent the aggregate amount of Securities Outstanding from time to time endorsed thereon and that the aggregate amount of Securities Outstanding represented thereby may from time to time be reduced to reflect any exchanges of beneficial interests in such Security in global form for Securities of such series as contemplated herein. Any endorsement of a Security in global form to reflect the amount, or any decrease in the amount, of Securities Outstanding represented thereby shall be made by the Trustee or the Security Registrar in such manner and upon instructions given by such person or persons as shall be specified in such Security in global form or in the Company Order to be delivered to the Trustee pursuant to Section 2.06 or Section 2.08. Subject to the provisions of Section 2.06 and, if applicable, Section 2.08, the Trustee or the Security Registrar shall deliver

and redeliver any Security in permanent global form in the manner and upon instructions given by the person or persons specified in such Security in global form or in the applicable Company Order. If a Company Order pursuant to Section 2.06 or Section 2.08 has been, or simultaneously is, delivered, any instructions by the Company with respect to endorsement or delivery or redelivery of a Security in global form shall be in writing but need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel.

The provisions of the last sentence of Section 2.06 shall apply to any Security represented by a Security in global form if such Security was never issued and sold by the Company and the Company delivers to the Trustee or the Security Registrar the Security in global form together with written instructions (which need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel) with regard to the reduction in the principal amount of Securities represented thereby, together with the written statement contemplated by the last sentence of Section 2.06.

Notwithstanding the provisions of Section 2.05, unless otherwise specified as contemplated by Section 2.03(b), payment of principal of and any premium and interest on any Security in permanent global form shall be made to the persons or persons specified therein.

SECTION 2.05. Denominations; Record Date; Payment of Interest.

(a) Unless otherwise provided as contemplated by Section 2.03(b) with respect to any series of Securities, any Registered Securities of a series shall be issuable without coupons in minimum denominations of \$1,000 and any Bearer Securities of a series shall be issuable, with interest coupons attached, in the minimum denomination of \$5,000.

(b) The term “record date” as used with respect to an interest payment date for any series of a Registered Security shall mean such day or days as shall be specified as contemplated by Section 2.03(b); provided, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such interest payment date if such interest payment date is the 15th day of a calendar month; or (2) the 15th day of a calendar month next preceding such interest payment date if such interest payment date is the first day of the calendar month.

Unless otherwise provided as contemplated by Section 2.03 with respect to any series of Securities, the person in whose name any Registered Security is registered at the close of business on the record date with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Security upon any registration of transfer or exchange thereof subsequent to such record date prior to such interest payment date; provided, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Securities are registered on a subsequent record date established by notice given to the extent and in the manner set forth in Section 15.04 by or on behalf of the Company to the holders of Securities of the series in default not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest, or in any other lawful manner acceptable to the Trustee.

(c) Unless otherwise specified by Board Resolution or Company Order for a particular series of Securities, the principal of, redemption premium, if any, on and interest, if any, on the Securities of any series shall be payable at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series, in the coin or currency of the United States of America that at the time is legal tender for public and private debt; provided, that, at the option of the Company, payment of interest with respect to a Registered Security may be paid by check mailed to the holders of the Registered Securities entitled thereto at their last addresses as they appear on the Security Register or wired if held in book-entry form at the U.S. Depository.

SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.

The Securities shall be signed on behalf of the Company by its Chief Executive Officer or its Chief Financial Officer. Such signatures may be the manual or facsimile signatures of such then-current officers.

Coupons shall bear the facsimile signature of the Secretary or one of the Assistant Secretaries of the Company or such other officer of the Company as may be specified pursuant to Section 2.03(b). Any Security or coupon may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities and coupons bearing the manual or facsimile signatures of individuals who were, at the actual date of the execution of such Security or coupon, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, or the delivery of such coupons, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officer's Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and coupons and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, shall deliver a similar Officer's Certificate each year on the anniversary of the date of the first such Officer's Certificate. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing. Except as permitted by Section 2.09, the Trustee shall not authenticate and deliver any Bearer Security unless all appurtenant coupons for interest then matured have been detached and cancelled.

Prior to the issuance of a Security of any new series and any related coupons, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

(a) The Board Resolution or Officer's Certificate or supplemental indenture establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;

(b) An Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in such form have been complied with; and

(c) An Opinion of Counsel stating that the form and terms of such Securities and coupons, if any, have been established in conformity with the provisions of this Indenture; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof, any coupons and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officer's Certificate or supplemental indenture; and each Bearer Security shall be dated as of the date of original issuance of the first Security of such series to be issued unless otherwise specified pursuant to Section 2.03 hereof.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officer's Certificate or supplemental indenture delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security or coupon shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, or the Security to which such coupon appertains, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

SECTION 2.07. Exchange and Registration of Transfer of Securities.

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive. Registered Securities, including Registered Securities received in exchange for Bearer Securities, may not be exchanged for Bearer Securities, unless the Company otherwise expressly provides for the issuance, upon such terms and conditions as may be provided with respect to such series, by the Company of Registered Securities of a series that may be exchanged, at the option of the securityholder upon such conditions and limitations as may be specified by the Company, for Bearer Securities of such series.

At the option of the holder, Bearer Securities of any series may be exchanged for Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Bearer Securities to be exchanged at any such office or agency, with all unmatured coupons (except as provided below) and with all matured coupons in default appertaining thereto. If the holder of a Bearer Security is unable to produce any such unmatured coupon or coupons or matured coupon or coupons in default, such exchange may be effected if the Bearer Securities are accompanied by payment in funds acceptable to the Company in an amount equal to the face amount of such missing coupon or coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Securities

shall surrender to any paying agent any such missing coupon in respect of which such a payment shall have been made, such holder shall be entitled to receive the amount of such payment; provided, that, except as otherwise provided in Section 4.02, interest represented by coupons shall be payable only upon presentation and surrender of those coupons at an office or agency located outside the United States and its Possessions. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such office or agency in exchange for a Registered Security of the same series and like tenor after the close of business at such office or agency on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as set forth in Section 2.05, such Bearer Security shall be surrendered without the coupon relating to such interest payment date or proposed date for payment, as the case may be, and interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the holder of such coupon when due in accordance with the provisions of this Indenture.

Whenever any Securities are so surrendered for exchange, the Company shall execute and register, and the Trustee shall authenticate and make available for delivery, the Securities which the holder making the exchange is entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his or her attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed, or (3) to exchange any Bearer Security so selected for redemption except that such a Bearer Security may be exchanged for a Registered Security of that series and of like tenor, provided that such Registered Security shall be simultaneously surrendered for redemption.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent global Security executed by the Company. On or after the earliest date on which such interests may be so exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the U.S. Depositary (which instructions shall be in writing), such permanent global Security shall be surrendered from time to time by the U.S. Depositary, or such other depositary or U.S. Depositary, as the case may be, as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent global Security to be

exchanged which (unless the Securities of the series are not issuable both as Bearer Securities and as Registered Securities, in which case the definitive Securities exchanged for the permanent global Security shall be issuable only in the form in which the Securities are issuable, as specified as contemplated by Section 2.03(b)), shall be in the form of Bearer Securities or Registered Securities, or any combination thereof, as shall be specified by the beneficial owner thereof; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption; and provided further, that no Bearer Security delivered in exchange for a portion of a permanent global security shall be mailed or otherwise delivered to any location in the United States or its Possessions. Promptly following any such exchange in part, such permanent global Security should be returned by the Trustee or the Security Registrar to the U.S. Depository, or such other depository or U.S. Depository referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent global Security is payable in accordance with the provisions of this Indenture.

SECTION 2.08. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series (typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form or, if authorized, in bearer form with one or more or without coupons, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law. In the case of any series issuable as Bearer Securities, such temporary Securities shall be delivered only in compliance with the conditions set forth in Section 2.06 and may be in global form.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series (accompanied by any unmatured coupons appertaining thereto), the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations; provided, that, except as otherwise expressly provided by the Company as contemplated in Section 2.07(b), no definitive Bearer Security shall be delivered in exchange for a temporary Registered Security; and provided further, however, that a definitive Bearer Security shall be delivered in exchange for a temporary Bearer Security only in compliance with the conditions set forth in Section 2.06.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date such temporary global Security shall be presented and surrendered by the U.S. Depository to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary global Security, a like aggregate principal amount of definitive Securities of the same

series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged.

Every temporary Security shall be executed by the Company and shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities and Coupons.

If any mutilated Security or a Security with a mutilated coupon appertaining thereto is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to the surrendered Security.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security or coupon and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security or coupon has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph, execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security or in exchange for the Security to which a destroyed, lost or stolen coupon appertains (with all appurtenant coupons not destroyed, lost or stolen), a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to such destroyed, lost or stolen Security or to the Security to which such destroyed, lost or stolen coupon appertains.

In case any such mutilated, destroyed, lost or stolen Security or coupon has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security or coupon; provided, however, that principal of (and premium, if any, on) and any interest on Bearer Securities shall, except as otherwise provided in Section 4.02, be payable only at an office or agency located outside the United States and its Possessions.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series, with any coupons appertaining thereto, issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for a Security to which a destroyed, lost or stolen coupon appertains, shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security and any coupons appertaining thereto, or the destroyed, lost or stolen coupon shall be at any time enforceable by anyone, and any such new Security and coupons, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series and their coupons, if any, duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons.

SECTION 2.10. Cancellation.

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, and any coupons surrendered for payment, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities and matured coupons so delivered shall be promptly cancelled by the Trustee. All Bearer Securities and unmatured coupons so delivered shall be held by the Trustee, and upon instruction by a Company Order, shall be cancelled or held for reissuance. All Bearer Securities and unmatured coupons held by the Trustee pending such cancellation or reissuance shall be deemed to be delivered for cancellation for all purposes of this Indenture and the Securities. The Company may deliver to the Trustee for cancellation any Securities previously

authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities and coupons held by the Trustee shall be delivered to the Company or disposed of (including by destruction of such Securities in accordance with the Trustee's customary procedures) as directed by the Company. Upon written request in the form of a Company Order, the Company may direct the Trustee to deliver a certificate of such disposal or destruction to the Company.

SECTION 2.11. Book Entry Only System.

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the U.S. Depository or other depository designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the U.S. Depository or such other depository will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the U.S. Depository or such other depository, as the case may be.

ARTICLE 3 REDEMPTION OF SECURITIES

SECTION 3.01. Redemption of Securities, Applicability of Section.

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

SECTION 3.02. Notice of Redemption, Selection of Securities.

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company, or, at the Company's request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in a Board Resolution, as described in Section 2.03, or (b) as determined by the Chief Executive Officer or the Chief Financial Officer of the Company (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officer's Certificate specifying the period of notice of such redemption. If the Board Resolutions or an Authorized Officer do not specify a period of notice of such redemption, the Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least 10 Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to give any notice of redemption, it shall make such request at least 10 days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities, together, in the case of Bearer Securities, with all coupons appertaining thereto, if any, maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, pro rata, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

SECTION 3.03. Payment of Securities Called for Redemption.

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue and the coupons, if any, for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. On presentation and surrender of such Securities subject to redemption at the Place of Payment and in the manner specified in such notice, together with all coupons, if any, appertaining thereto and maturing after the date specified in such notice for redemption, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that installments of interest on Bearer Securities whose stated maturity date is on or prior to the date of redemption shall be payable only at an office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of coupons for such interest; and provided further, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

If any Bearer Security surrendered for redemption shall not be accompanied by all appurtenant coupons maturing after the date of redemption, such Security may be paid after deducting from the redemption price an amount equal to the face amount of all such missing coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Security shall surrender to the Trustee or any paying agent any such missing coupon in respect of which a deduction shall have been made from the redemption price, such holder shall be entitled to receive the amount so deducted; provided, that interest represented by coupons shall be payable only at an office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of those coupons.

Any Security (including any coupons appertaining thereto) that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary global Security or permanent global Security is so surrendered, such new Security so issued shall be a new temporary global Security or permanent global Security, respectively.

SECTION 3.04. Redemption Suspended During Event of Default.

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or notice, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY

SECTION 4.01. Payment of Principal, Premium and Interest.

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities, any coupons appertaining thereto and this Indenture. Unless otherwise specified as contemplated by Section 2.03(b) with respect to any series of Securities, any interest due on and any Additional Amounts payable in respect of Bearer Securities on or before maturity shall be payable only upon presentation and surrender of the several coupons for such interest installments as are evidenced thereby as they severally mature.

SECTION 4.02. Offices for Notices and Payments, etc.

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Company will maintain (a) in the contiguous United States, an office or agency where any Registered Securities of that series may be presented or surrendered for payment, where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange, where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served and where Bearer Securities of that series

and related coupons may be presented or surrendered for payment in the circumstances described below (and not otherwise), (b) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where Securities of that series and related coupons may be presented and surrendered for payment; provided, that if the Securities of that series are listed on The International Stock Exchange of the United Kingdom and the Republic of Ireland, Limited, the Luxembourg Stock Exchange or any other stock exchange located outside the United States and its Possessions and such stock exchange shall so require, the Company will maintain a paying agent for the Securities of that series in London, Luxembourg or any other required city located outside the United States and its Possessions, as the case may be, so long as the Securities of that series are listed on such exchange, and (c) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, except that Bearer Securities of that series and the related coupons may be presented and surrendered for payment at any paying agent for such series located outside the United States and its Possessions.

No payment of principal, premium or interest on Bearer Securities shall be made at any office or agency of the Company in the United States or its Possessions or by check mailed to any address in the United States or its Possessions or by transfer to any account maintained with a financial institution located in the United States or its Possessions; provided, that, if the Securities of a series are denominated and payable in Dollars, payment of principal of (and premium, if any) and any interest on any Bearer Security shall be made at the office of the Company's paying agent in the contiguous United States, if (but only if) payment in Dollars of the full amount of such principal, premium, interest or Additional Amounts, as the case may be, at all offices or agencies outside the United States and its Possessions maintained for the purpose by the Company in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Corporate Trust Office as the office of the Company in the contiguous United States where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served; provided that the Corporate Trust Office shall not be an office or agency of the Company for the service of legal process against the Company.

SECTION 4.03. Provisions as to Paying Agent.

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

SECTION 4.04. Statement as to Compliance.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), a written statement signed by the Chief Executive Officer or other principal executive officer and by the Chief Financial Officer or other principal financial officer or principal accounting officer of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his or her supervision; and

(b) to the best of his or her knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him or her and the nature and status thereof.

SECTION 4.05. Corporate Existence.

Subject to the provisions of Article 11, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises and the corporate existence and rights (charter and statutory) and franchises of its Subsidiaries; provided, that the Company shall not be required to, or to cause any Subsidiary to, preserve any right or franchise or to keep in full force and effect the corporate existence of any Subsidiary if the Company shall determine that the keeping in existence or preservation thereof is no longer desirable in or consistent with the conduct of the business of the Company.

SECTION 4.06. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition set forth herein if before or after the time for such compliance the holders of a majority in principal amount of the Securities of all series affected thereby then Outstanding shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE 5 SECURITYHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE

SECTION 5.01. Securityholder Lists.

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee as the Trustee may request in writing, a list, in such form and as of such date as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

SECTION 5.02. Preservation and Disclosure of Lists.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Company, the Trustee, the Security Registrar and anyone else shall have the protection of Section 312(c) of the Trust Indenture Act with respect to the sending of any material pursuant to a request made pursuant to Section 312(b) of the Trust Indenture Act.

SECTION 5.03. Reports by the Company.

The Company covenants so long as Securities are Outstanding:

(a) to file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports that may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) to file with the Trustee and the Commission, in accordance with the rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants provided for in this Indenture as may be required from time to time by such rules and regulations; and

(c) to transmit by mail to all the holders of Registered Securities of each series, as the names and addresses of such holders appear on the registry books, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company with respect to each such

series pursuant to subsections (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

SECTION 5.04. Reports by the Trustee.

(a) On or about [_____, _____], so long as any Securities are outstanding hereunder and if there has been any change in the following, the Trustee shall transmit by mail, first class postage prepared, to the securityholders, as their names appear upon the Security Register, a brief report dated as of the preceding [_____, _____], if and to the extent required under Section 313(a) of the Trust Indenture Act, detailing certain events that occurred within the previous 12 months.

(b) The Trustee shall comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(c) A copy of each such report shall, at the time of such transmission to securityholders, be filed by the Trustee with the Company, with each stock exchange upon which any Securities are listed (if so listed) and also with the Commission. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange.

ARTICLE 6 REMEDIES

SECTION 6.01. Events of Default; Acceleration of Maturity.

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

(a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;

(b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;

(c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;

(d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or the Material Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Material Subsidiary or for any substantial part of their respective property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(e) the Company or the Material Subsidiary shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of a decree or order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or the Material Subsidiary or for any substantial part of their respective property, or shall make any general assignment for the benefit of creditors; or

(f) any other Event of Default provided with respect to Securities of that series;

then, if an Event of Default described in clause (a), (b), (c) or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already

become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) shall be automatically deemed immediately due and payable.

SECTION 6.02. Rescission and Annulment.

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence, bad faith or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

- (a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days,
- (b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, or
- (c) default is made in the deposit of any sinking fund payment when and as due by the terms of a Security,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities and any coupons appertaining thereto, the whole amount that shall have become due and payable on such Securities and coupons for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04. Trustee May File Proofs of Claim.

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities and coupons allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities and coupons to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities and coupons, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities and coupons may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security or a coupon any plan of reorganization, arrangement, adjustment or composition affecting the Securities or coupons or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security or a coupon in any such proceeding.

SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities or Coupons.

All rights of action and claims under this Indenture or the Securities or coupons may be prosecuted and enforced by the Trustee without the possession of any of the Securities or coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities and coupons in respect of which such judgment has been recovered.

SECTION 6.06. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities or coupons, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06;

SECOND: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article 16;

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities and coupons, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities and coupons, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

SECTION 6.07. Limitation on Suits.

No holder of any Security of any series or any related coupons shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such holder has previously given written notice to the Trustee of a continuing Event of Default;

(2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such holder or holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities.

SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the holder of any Security or coupon shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security or payment of such coupon on the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

SECTION 6.09. Restoration of Rights and Remedies.

If the Trustee or any holder of a Security or coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities and coupons shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative.

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities or coupons is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any holder of any Security or coupon to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities or coupons may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities or coupons, as the case may be.

SECTION 6.12. Control by Securityholders.

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting.

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary global Security or a permanent global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date; provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a

holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

SECTION 6.13. Waiver of Past Defaults.

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series and any coupons appertaining thereto, waive any past default hereunder and its consequences, except a default:

- (1) in the payment of the principal of, premium, if any, or any interest on any Security;
- (2) described in clauses (d) or (e) of Section 6.01; or
- (3) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14. Undertaking for Costs.

All parties to this Indenture agree, and each holder of any Security or coupon by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities or coupons for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security or the payment of any coupon on or after the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

SECTION 6.15. Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 CONCERNING THE TRUSTEE

SECTION 7.01. Duties and Responsibilities of Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this

Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 7.02. Reliance on Documents, Opinions, etc.

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Trustee may consult with counsel and the written advice of such counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities or any related coupons pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity

reasonably satisfactory to the Trustee against the losses, costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event shall the Trustee be liable to any person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(i) the Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers or otherwise in respect of the Indenture.

SECTION 7.03. No Responsibility for Recitals, etc.

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, and in any coupons shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities or coupons, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 7.04. Ownership of Securities.

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and coupons with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

SECTION 7.05. Moneys to be Held in Trust.

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

SECTION 7.06. Compensation and Expenses of Trustee.

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as the Company and the Trustee shall from time to time agree in writing (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including

the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, bad faith or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify the Trustee for, and to hold it harmless against, any and all loss, damage, claims, liability or expense, including taxes (other than taxes based upon, measured or determined by, the income of the Trustee) incurred without negligence, bad faith or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability and enforcing the provisions of this Section 7.06. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The Company's obligations under this Section 7.06 shall survive satisfaction and discharge of the Indenture, payment of the Securities and any resignation or removal of the Trustee hereunder.

SECTION 7.07. Officer's Certificate as Evidence.

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such certificate, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

SECTION 7.09. Eligibility of Trustee.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

SECTION 7.10. Resignation or Removal of Trustee.

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with the provisions of Section 310(b) of the Trust Indenture Act, as specified in Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months,

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder, or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

SECTION 7.11. Acceptance by Successor Trustee.

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver a supplemental indenture which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within 10 days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

SECTION 7.12. Successor by Merger, etc.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13. Limitations on Rights of Trustee as Creditor.

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

SECTION 7.14. Notice of Default.

Within 90 days after the occurrence of any default on a series of Securities hereunder, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.15. Appointment of Authenticating Agent.

The Trustee may appoint an authenticating agent or agents (which may be an affiliate or affiliates of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue or upon exchange, registration of transfer or

partial redemption thereof or pursuant to Section 2.09, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers or to otherwise act as authenticating agent, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, and (c) shall have at all times a combined capital and surplus of not less than \$50,000,000. If such authenticating agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such authenticating agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an authenticating agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such authenticating agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such authenticating agent, shall continue to be an authenticating agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

An authenticating agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an authenticating agent by giving written notice thereof to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such authenticating agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor authenticating agent which shall be acceptable to the Company and shall promptly give notice of such appointment to all holders of Securities in the manner and to the extent provided in Section 15.04. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each authenticating agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

If all of the Securities of a series may not be originally issued at one time, and the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Company wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing, shall appoint in accordance with this Section an authenticating agent (which, if so requested by

the Company, shall be such affiliate of the Company) having an office in a Place of Payment designated by the Company with respect to such series of Securities, provided that the terms and conditions of such appointment are acceptable to the Trustee.

ARTICLE 8
CONCERNING THE SECURITYHOLDERS

SECTION 8.01. Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any authorization, notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by securityholders in person or by agent or proxy appointed in writing, (b) if Securities of a series are issuable as Bearer Securities, by the record of the holders of Securities voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of securityholders of such series duly called and held in accordance with the provisions of Article 9, or (c) by a combination of such instrument or instruments and any such record of such a meeting of securityholders.

In determining whether the holders of a specified percentage in aggregate principal amount of the Securities of any or all series have taken any action (including the making of any demand or request, the giving of any authorization, direction, notice, consent or waiver or the taking of any other action), (i) the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such of such action is evidenced to the Trustee, and (ii) the principal amount of a Security denominated in a foreign currency or currency unit shall be the U.S. dollar equivalent, determined as of the date of original issuance of such Security in accordance with Section 2.03(b) hereof, of the principal amount of such Security.

SECTION 8.02. Proof of Execution by Securityholders.

Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a securityholder or its agent or proxy, or of the holding by any person of a Security, shall be sufficient and conclusive in favor of the Trustee and the Company if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The principal amount and serial numbers of Registered Securities held by any person, and the date of holding the same, shall be proved by the Security Register. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may be proved by the production of such Bearer Securities or by a certificate executed, as depository, by any trust company, bank, banker or other depository, wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with such depository, or exhibited to it, the Bearer Securities therein described; or such facts may be proved by the certificate or affidavit of the person holding such Bearer Securities, if such certificate or affidavit is deemed by the Trustee to be satisfactory. The Trustee and the Company may assume that such ownership of any Bearer Security continues until (1) another certificate or affidavit bearing a later date issued in respect of the same Bearer Security is produced, (2) such Bearer Security is produced to the Trustee by some other person, (3) such Bearer Security is surrendered in exchange for a Registered Security, or (4) such Bearer Security is no longer Outstanding. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may also be provided in any other manner which the Trustee deems sufficient.

The record of any securityholders' meeting shall be proved in the manner provided in Section 9.06.

SECTION 8.03. Who Are Deemed Absolute Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05, any interest on such Security and for all other purposes; and neither the

Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his or her order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Title to any Bearer Security and any coupons appertaining thereto shall pass by delivery. The Company, the Trustee and any agent of the Company or of the Trustee may treat the bearer of any Bearer Security and the bearer of any coupon as the owner of such Security or coupon for the purpose of receiving payment thereof or on account thereof and for all other purposes whatsoever, whether or not such Security or coupon be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any temporary or permanent global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a U.S. Depository, or impair, as between a U.S. Depository and holders of beneficial interests in any temporary or permanent global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the U.S. Depository as holder of such temporary or permanent global Security.

SECTION 8.04. Company-Owned Securities Disregarded.

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall provide full protection to the Trustee.

SECTION 8.05. Revocation of Consents; Future Securityholders Bound.

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

SECTION 8.06. Record Date.

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the Corporate Trust Office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or

consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

ARTICLE 9 SECURITYHOLDERS' MEETINGS

SECTION 9.01. Purposes of Meeting.

A meeting of holders of any or all series of Securities may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by securityholders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 9.02. Call of Meetings by Trustee.

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York or Ruston, Louisiana as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

SECTION 9.03. Call of Meetings by Company or Securityholders.

In case at any time the Company, pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Securities of any or all series, as the case may be, then Outstanding, shall have requested the Trustee to call a meeting of securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have provided notice of such meeting in the manner provided in Section 15.04 within 30 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in New York, New York or Ruston, Louisiana for such meeting and may call such meeting by giving notice thereof as provided in Section 9.02.

SECTION 9.04. Qualifications for Voting.

To be entitled to vote at any meeting of securityholders a person shall be a holder of one or more Securities of such series Outstanding with respect to which a meeting is being held or a person appointed by an instrument in writing as proxy by such a holder or holders. The only persons who shall be entitled to be present or to speak at any meeting of the securityholders of any series shall be the persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 9.05. Regulations.

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such

regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Article 8 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the U.S. Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him or her; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

SECTION 9.06. Voting.

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

ARTICLE 10 SUPPLEMENTAL INDENTURES

SECTION 10.01. Supplemental Indentures without Consent of Securityholders.

Without the consent of any holders of Securities or coupons, the Company, when authorized by or pursuant to Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for one or more of the following purposes:

(a) to evidence the succession of another corporation to the Company, or successive successions, pursuant to Article 11 hereof, and the assumption by the successor corporation of the covenants, agreements and obligations of the Company herein and in the Securities;

(b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as its Board of Directors shall consider to be for the protection of the holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies

provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

(c) to add to or change any of the provisions of this Indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit or facilitate the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the holders of Securities of any series or any related coupons in any material respect;

(d) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act or any corresponding provision in any similar federal statute hereafter enacted;

(e) to modify, eliminate or add to any of the provisions of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security of any series Outstanding and created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security Outstanding;

(f) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture; to convey, transfer, assign, mortgage or pledge any property to or with the Trustee; or to make such other provisions in regard to matters or questions arising under this Indenture, provided such other provisions shall not adversely affect in any material respect the interests of the holders of the Securities or any related coupons, including provisions necessary or desirable to provide for or facilitate the administration of the trusts hereunder;

(g) to secure any series of Security; and

(h) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

SECTION 10.02. Supplemental Indentures with Consent of Holders.

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series and any related coupons under this Indenture; provided, that no such supplemental indenture shall (1) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (2) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental

indenture, without the consent of the holders of all Securities then Outstanding, (3) modify the subordination provisions in a manner adverse to the holders of such Securities, or (4) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder and of any coupons appertaining thereto shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officer's Certificate or an Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10.

SECTION 10.04. Notation on Securities.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

ARTICLE 11 CONSOLIDATION, MERGER, SALE OR CONVEYANCE

SECTION 11.01. Company May Consolidate, etc., on Certain Terms.

The Company covenants that it will not merge into or consolidate with any other corporation or sell or convey all or substantially all of its assets to any person, firm or corporation, unless (1) either the Company shall be the continuing corporation, or the successor corporation (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a state thereof or the District of Columbia and such corporation shall expressly assume the due and punctual payment of the principal of (and premium, if any, on) and any interest on all the Securities, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by

supplemental indenture, executed and delivered to the Trustee by such corporation, and (2) the Company or such successor corporation, as the case may be, shall not, immediately after such merger or consolidation, or such sale or conveyance, be in default in the performance of any such covenant or condition.

SECTION 11.02. Successor Corporation Substituted.

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

In case of any such consolidation, merger, sale or conveyance such changes in phrasing and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

SECTION 11.03. Opinion of Counsel and Officer's Certificate to Trustee.

The Trustee shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, complies with the provisions of this Article 11 and that all conditions precedent herein provided for relating to such transaction have been complied with.

ARTICLE 12 SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS

SECTION 12.01. Discharge of Indenture.

If at any time:

(a) the Company shall have delivered to the Trustee for cancellation all Securities of any series theretofore authenticated and all coupons, if any, appertaining thereto (other than (i) coupons appertaining to Bearer Securities surrendered for exchange for Registered Securities and maturing after such exchange, whose surrender is not required or has been waived as provided in Section 2.07, (ii) Securities and coupons that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.09, (iii) coupons appertaining to Securities called for redemption and maturing after the relevant redemption date, whose surrender has been waived as provided in Section 3.03, and (iv) Securities and coupons for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.03), or

(b) all such Securities of such series and, in the case of (a)(i) or (a)(ii) above, any coupons appertaining thereto not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (a)(i) or (a)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series and coupons not theretofore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture

shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at the cost and expense of the Company and subject to Section 15.05, shall execute such instruments reasonably requested by the Company acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officer's Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.

Subject to the provisions of Section 12.03 and 12.04, all moneys deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company acting as its own paying agent), to the persons entitled thereto, of all sums due and to become due thereon for principal and interest (and premium, if any) for which payment of such money has been deposited with the Trustee.

SECTION 12.03. Paying Agent to Repay Moneys Held.

In connection with the satisfaction and discharge of this Indenture with respect to Securities of any series and the payment of all amounts due to the Trustee under Section 7.06, all moneys with respect to such Securities then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be repaid to it or paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such moneys.

SECTION 12.04. Return of Unclaimed Moneys.

Any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent on demand, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

SECTION 13.01. Indenture and Securities Solely Corporate Obligations.

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security or coupon, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities or coupons by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14
DEFEASANCE AND COVENANT DEFEASANCE**

SECTION 14.01. Applicability of Article.

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section 14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

SECTION 14.02. Defeasance and Discharge.

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, “defeasance”). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company’s obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities and other provisions in respect of the Trustee hereunder, and (d) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

SECTION 14.03. Covenant Defeasance.

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, “covenant defeasance”). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption

of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No Default, or event that after notice or lapse of time, or both, would become a Default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(d) and Section 6.01(e) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a "conflicting interest" as defined in Section 310(b) of the Trust Indenture Act or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

**ARTICLE 15
MISCELLANEOUS PROVISIONS**

SECTION 15.01. Benefits of Indenture Restricted to Parties and Securityholders.

Nothing in this Indenture or in the Securities, expressed or implied, shall give or be construed to give to any person, firm or corporation, other than the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of Senior Indebtedness), any legal or equitable right, remedy or claim under this Indenture or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of Senior Indebtedness).

In any case where notice to holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder of a Registered Security shall affect the sufficiency of such notice with respect to other holders of Registered Securities or the sufficiency of any notice to holders of Bearer Securities given as provided herein.

Neither the failure to give notice by publication to holders of Bearer Securities as provided above, nor any defect in any notice so published, shall affect the sufficiency of any notice to holders of Registered Securities given as provided herein.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by holders of Securities shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any request, demand, authorization, direction, notice, consent or waiver required or permitted under this Indenture shall be in the English language, except that any published notice may be in an official language of the country of publication.

Notwithstanding anything in this Indenture to the contrary, where any notice is to be given to the holders of global Securities, notice shall be sufficient if given in accordance with the procedures of the U.S. Depositary.

We have acted as special counsel to Origin Bancorp, Inc., a Louisiana corporation (the “*Company*”), in connection with the registration by the Company under the Securities Act of 1933, as amended (the “*Securities Act*”), of the offer and sale by the Company from time to time of an unlimited number or dollar or foreign currency amount of: (i) shares of the Company’s common stock, par value \$5.00 per share (the “*Common Stock*”); (ii) shares of the Company’s preferred stock, no par value per share (the “*Preferred Stock*”); (iii) one or more series of debt securities of the Company (the “*Debt Securities*”); (iv) depositary shares, representing a fractional interest in shares of Preferred Stock and evidenced by a depositary receipt (the “*Depositary Shares*”); (v) warrants to purchase Debt Securities, Common Stock, Preferred Stock or any combination of these securities (the “*Warrants*”); (vi) purchase contracts that will entitle the holder thereof to purchase or sell Common Stock, Preferred Stock or Debt Securities at a specified purchase price or determined by reference to a specific formula at a future date (the “*Purchase Contracts*”); (vii) purchase units, consisting of Purchase Contracts and any combination of Common Stock, Preferred Stock or Covered Securities (as defined below) securing the holder’s obligation to purchase the securities under the Purchase Contract (the “*Purchase Units*”); (viii) rights to subscribe for and to purchase Common Stock, Preferred Stock or Debt Securities (the “*Subscription Rights*”); and (ix) units comprised of any combination of Common Stock, Preferred Stock, Debt Securities, Depositary Shares, Warrants, Purchase Contracts, Purchase Units or Subscription Rights (the “*Units*” and, collectively with the Debt Securities, Depositary Shares, Warrants, Purchase Contracts, Purchase Units and Subscription Rights, the “*Covered Securities*”), pursuant to the Company’s registration statement on Form S-3 (the “*Registration Statement*”) filed with the United States Securities and Exchange Commission (the “*Commission*”) on the date hereof.

In connection with rendering this opinion, we have examined (i) the Company’s Restated Articles of Incorporation (the “*Articles*”), (ii) the Company’s Bylaws (the “*Bylaws*”), (iii) the Registration Statement and (iv) certain resolutions of the Board of Directors of the Company relating to the filing of the Registration Statement and the transactions contemplated thereby. We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records, instruments and other relevant materials as we have deemed advisable and have made such examination of statutes and decisions and reviewed such questions of law as we have considered necessary or appropriate. As to facts material to this opinion, we have relied as to certain matters on information obtained from public officials, officers of the Company and other sources we believe to be responsible, without any independent verification thereof.

In our examination, we have assumed: (i) the legal capacity of all natural persons; (ii) the genuineness of all signatures; (iii) the authenticity of all documents submitted to us as originals; (iv) the conformity to original documents of all documents submitted to us as certified, conformed, photostatic or facsimile copies; (v) the authenticity of the

originals of such copies; (vi) the accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments, certificates and records we have reviewed; and (vii) the absence of any undisclosed modifications to the agreements and instruments that we have reviewed.

Based on the foregoing, and subject to assumptions, qualifications and limitations set forth herein, we are of the opinion that:

1. The Company is duly organized and validly existing as a Louisiana corporation and possesses the requisite corporate power and authority to execute, deliver and perform its obligations under the Covered Securities.

2. With respect to any offering of Common Stock, including any Common Stock issuable upon the exercise, exchange or conversion of Preferred Stock or Covered Securities, when (i) a prospectus supplement and any other offering material with respect to the Common Stock has been filed with the Commission in compliance with the Securities Act and the rules and regulations thereunder; (ii) the Company has taken all corporate action necessary to authorize the issuance of the Common Stock; (iii) any legally required consents, approvals or authorizations have been obtained; (iv) unless issued without certificates, certificates representing the Common Stock have been duly executed by the duly authorized officers of the Company and delivered to the purchasers thereof or other persons entitled thereto; (v) the Common Stock has been issued by the Company against payment of the agreed-upon consideration therefor in accordance with any relevant agreements and such corporate action; and (vi) in the case of Common Stock issuable upon exercise, exchange or conversion of Preferred Stock or Covered Securities, the actions in respect of such Preferred Stock referred to in paragraph 3 of this opinion or Covered Securities referred to in paragraph 4 of this opinion have been completed, then, upon the happening of such events, such Common Stock will be validly issued, fully paid and nonassessable.

3. With respect to any offering of any series of Preferred Stock, including any Preferred Stock issuable upon the exercise, exchange or conversion of Covered Securities, when (i) a prospectus supplement and any other offering material with respect to the Preferred Stock has been filed with the Commission in compliance with the Securities Act and the rules and regulations thereunder; (ii) the Company has taken all corporate action necessary to authorize the issuance of the Preferred Stock; (iii) an amendment to the Articles establishing the designation, powers, preferences, limitations and relative rights of such series of Preferred Stock has been duly approved by appropriate corporate action, duly executed and filed by the Company with the Louisiana Secretary of State, all in accordance with the laws of the State of Louisiana; (iv) any legally required consents, approvals or authorizations have been obtained; (v) unless issued without certificates, certificates representing the Preferred Stock have been duly executed by the duly authorized officers of the Company, and delivered to the purchasers thereof or other persons entitled thereto; (vi) the Preferred Stock with terms so fixed has been issued by the Company against payment of the agreed-upon consideration therefor in accordance with any relevant agreements and such corporate action; and (vii) in the case of Preferred Stock issuable upon exercise, exchange or conversion of Covered Securities, the actions in respect of such Covered Securities referred to in paragraph 4 of this opinion have been completed, then, upon the happening of such events, such Preferred Stock will be validly issued, fully paid and nonassessable.

4. With respect to any offering of Covered Securities, if the Covered Securities are exercisable, exchangeable or convertible into Common Stock or Preferred Stock, or if Common Stock or Preferred Stock may be acquired upon exercise, exchange or conversion upon fulfillment of the terms of such Covered Securities, when (i) a prospectus supplement and any other offering material with respect to such Covered Securities has been filed with the Commission in compliance with the Securities Act and the rules and regulations thereunder; (ii) the Company has taken all corporate action necessary to authorize the issuance of such Covered Securities; (iii) an amendment to the

Articles establishing the designation, powers, preferences, limitations and relative rights of the applicable series of Preferred Stock has been duly approved by appropriate corporate action, duly executed and filed by the Company with the Louisiana Secretary of State, all in accordance with the laws of the State of Louisiana; (iv) any legally required consents, approvals or authorizations have been obtained; (v) the Covered Securities have been presented for exercise, exchange or conversion in accordance with the terms thereof; and (vi) unless issued without certificates, certificates representing such Common Stock or Preferred Stock have been duly executed by the duly authorized officers of the Company and delivered upon such exercise, exchange or conversion to the purchasers thereof or other persons entitled thereto, in accordance with the terms of such Covered Securities, then, upon the happening of such events, the Common Stock or Preferred Stock issuable upon exercise, exchange or conversion of such Covered Securities will be validly issued, fully paid and nonassessable.

For the purposes of this opinion, we have assumed that, at the time of the issuance, sale and delivery of each issue of Common Stock, Preferred Stock or Covered Securities: (i) the Company will remain validly existing as a corporation under Louisiana law; (ii) all Covered Securities will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent such assumption states, directly or in practical effect, the legal conclusion expressed in paragraph 4 of this opinion; (iii) any Covered Securities being offered will be issued and sold as contemplated in the Registration Statement or the prospectus supplement relating thereto; (iv) all actions necessary for the issuance of any Common Stock or Preferred Stock and the form and terms thereof will not (a) contravene the Articles or Bylaws, (b) violate any law, rule or regulation applicable to the Company or (c) result in any conflict with, or breach of, any agreement or document binding on the Company; (v) the authorization of any Common Stock or Preferred Stock by the Company will not have been modified or rescinded, and there will not have occurred any change in law affecting the issuance thereof; (vi) the Articles and the Bylaws, as currently in effect, will not have been modified or amended and will be in full force and effect, and the number of Common Stock or Preferred Stock, as the case may be, offered and sold will not exceed the number of Common Stock or Preferred Stock, as the case may be, authorized under the Articles (as then in effect) and not otherwise reserved for issuance; and (vii) the certificates, if any, evidencing the Common Stock or the Preferred Stock will be in a form approved for issuance by the Company, which complies with the Louisiana Business Corporation Act.

In rendering the foregoing opinions, we express no opinion with respect to the laws of any jurisdiction other than the laws of the State of Louisiana.

We are furnishing this opinion to you in connection with the filing of the Registration Statement. This opinion is limited to the matters set forth herein, and no other opinion should be inferred beyond the matters expressly stated herein. The opinions set forth herein are given as of the date hereof, and we undertake no obligation to update or supplement this opinion if any applicable law changes after the date hereof or if we become aware of any fact or other circumstances that changes or may change any opinion set forth herein after the date hereof or for any other reason.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to our firm under the heading "Legal Matters" in the prospectus constituting part of the Registration Statement. In giving this consent, we do not admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act.

Ladies and Gentlemen:

We have acted as special counsel to Origin Bancorp, Inc., a Louisiana corporation (the “*Company*”), in connection with the registration by the Company under the Securities Act of 1933, as amended (the “*Securities Act*”), of the offer and sale by the Company from time to time of an unlimited number or dollar or foreign currency amount of: (i) shares of the Company’s common stock, par value \$5.00 per share (the “*Common Stock*”); (ii) shares of the Company’s preferred stock, no par value per share (the “*Preferred Stock*”); (iii) one or more series of debt securities of the Company (the “*Debt Securities*”); (iv) depositary shares, representing a fractional interest in shares of Preferred Stock and evidenced by a depositary receipt (the “*Depositary Shares*”); (v) warrants to purchase Debt Securities, Common Stock, Preferred Stock or any combination of these securities (the “*Warrants*”); (vi) purchase contracts that will entitle the holder thereof to purchase or sell Common Stock, Preferred Stock or Debt Securities at a specified purchase price or determined by reference to a specific formula at a future date (the “*Purchase Contracts*”); (vii) purchase units, consisting of Purchase Contracts and any combination of Common Stock, Preferred Stock or Covered Securities (as defined below) securing the holder’s obligation to purchase the securities under the Purchase Contract (the “*Purchase Units*”); (viii) rights to subscribe for and to purchase Common Stock, Preferred Stock or Debt Securities (the “*Subscription Rights*”); and (ix) units comprised of any combination of Common Stock, Preferred Stock, Debt Securities, Depositary Shares, Warrants, Purchase Contracts, Purchase Units or Subscription Rights (the “*Units*” and, collectively with the Debt Securities, Depositary Shares, Warrants, Purchase Contracts, Purchase Units and Subscription Rights, the “*Covered Securities*”), pursuant to the Company’s registration statement on Form S-3 (the “*Registration Statement*”) filed with the United States Securities and Exchange Commission (the “*Commission*”) on the date hereof.

We have reviewed (i) the Registration Statement, including the form of prospectus included therein, (ii) the forms of indenture filed as Exhibits 4.3 and 4.4 thereto, (iii) certain resolutions adopted by the Company’s Board of Directors and (iv) such corporate records, certificates and other documents, and such questions of law, as we have deemed necessary or appropriate for the purposes of this opinion. We have assumed that all signatures are genuine, that all documents submitted to us as originals are authentic and that all copies of documents submitted to us conform to the originals, and the truthfulness of all statements of fact contained therein.

We have assumed that, at the time of the issuance, sale and delivery of each series of Debt Securities and each issue of Depositary Shares, Warrants, Purchase Contracts, Purchase Units, Subscription Rights or Units, as the case may be: (i) the execution, delivery and performance by the Company of the senior indenture in the form of Exhibit 4.3 to the Registration Statement or the subordinated indenture in the form of Exhibit 4.4 to the Registration Statement, as applicable, and any supplemental indenture thereto (any such indenture, together with any applicable supplemental indenture, the “*Indenture*”), deposit agreement, warrant agreement, purchase contract agreement, subscription agreement or subscription rights certificate, and unit agreement (collectively, the “*Documents*”), as applicable, and all actions necessary for the issuance of the applicable Covered Securities, and the form and terms thereof, will comply

with all requirements and restrictions, if any, applicable to the Company, whether imposed by any agreement or instrument to which the Company is a party or by which it is bound or any court or other governmental or regulatory body having jurisdiction over the Company; (ii) the Company will have duly authorized, executed and delivered any such Document and will have duly authorized the issuance of any such Covered Security, and none of such authorizations will have been modified or rescinded, and there will not have occurred any change in law affecting the validity, legally binding character or enforceability thereof, and (iii) the prospectus included in the Registration Statement will describe the Covered Securities offered thereby or an appropriate prospectus supplement will have been prepared, delivered and filed with the Commission in compliance with the Securities Act and the applicable rules and regulations thereunder and will describe the Covered Securities offered thereby. We have also assumed that the Covered Securities will be offered and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement and the appropriate prospectus supplement. We have assumed further that the Documents will be governed by and construed in accordance with the laws of the State of New York. With respect to any Document executed or to be executed by any party other than the Company, we have assumed that such party has, or will have, duly authorized, executed and delivered the Documents to which it is a party and that each such Document is, or will be, the valid and binding obligation of such party, enforceable against it in accordance with its terms.

We have assumed further that the Company is duly organized, validly existing and in good standing under the laws of the State of Louisiana and has all requisite power, authority and legal right to execute, deliver and perform its obligations under the Covered Securities, the Indenture and the Documents. With respect to all matters of Louisiana law, we note that you are relying on an opinion of Fenimore, Kay, Harrison & Ford, LLP, dated as of the date hereof, which opinion is filed as Exhibit 5.1 to the Registration Statement.

Additionally, we have relied as to certain matters on information obtained from public officials, officers of the Company and other sources believed by us to be responsible.

Based upon the foregoing, and subject to the qualifications set forth herein, we are of the opinion that, when, as and if:

1. With respect to the Debt Securities: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws; (ii) the Indenture has been duly executed and delivered on behalf of the Company and a trustee qualified to act as such under applicable law and such Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended; (iii) all necessary corporate action has been taken by the Company to authorize, execute and deliver the Indenture and to authorize the form, terms, execution and delivery of the Debt Securities; (iv) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained; and (v) such Debt Securities have been duly executed by the Company and authenticated by the trustee in accordance with the Indenture, and have been duly issued and delivered against payment therefor in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Debt Securities and the plan of distribution, then, upon the happening of such events, such Debt Securities (including any Debt Securities to be issued by the Company upon the conversion or exercise of other Covered Securities issued by the Company pursuant to the Registration Statement) will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

2. With respect to the Depositary Shares: (i) the Registration Statement and any required post-effective amendments thereto all have become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws; (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a deposit agreement and to authorize the form, terms, execution and delivery of any Depositary Shares and to fix or otherwise determine the consideration to be received for the Depositary Shares and the terms of the offer and sale thereof; (iii) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained; (iv) any

shares of Preferred Stock underlying the Depositary Shares have been duly and validly authorized and reserved for issuance and sale; and (v) the depositary receipts evidencing the Depositary Shares have been duly executed and delivered by the depositary in accordance with the applicable deposit agreement, and in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Depositary Shares and the plan of distribution, then, upon the happening of such events, the Depositary Shares will be legally issued and will entitle the holders thereof to the rights specified in the deposit agreement.

3. With respect to the Warrants: (i) the Registration Statement and any required post-effective amendments thereto all have become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws; (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a warrant agreement and to authorize the form, terms, execution and delivery of any Warrants and to fix or otherwise determine the consideration to be received for the Warrants and the terms of the offer and sale thereof; (iii) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained; (iv) any shares of Common Stock or Preferred Stock or any Debt Securities purchasable upon exercise of such Warrants, as applicable, have been duly and validly authorized and reserved for issuance and sale; and (v) the Warrants have been duly executed and delivered by the Company against payment therefor in accordance with any applicable warrant agreement, and in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Warrants and the plan of distribution, then, upon the happening of such events, the Warrants will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

4. With respect to the Purchase Contracts and Purchase Units: (i) the Registration Statement and any required post-effective amendments thereto all have become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws; (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a purchase contract agreement and/or a purchase unit agreement, as applicable, and to authorize the form, terms, execution and delivery of the Purchase Contracts or Purchase Units, as applicable, and to fix or otherwise determine the consideration to be received for the Purchase Contracts or Purchase Units, as applicable, and the terms of the offer and sale thereof; (iii) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained; (iv) any shares of Common Stock or Preferred Stock or any Debt Securities to be issued pursuant to such Purchase Contracts or Purchase Units as applicable, have been duly and validly authorized and reserved for issuance and sale; and (v) the Purchase Contracts or Purchase Units, as applicable, have been duly executed and delivered by the Company against payment therefor in accordance with any applicable purchase contract agreement or purchase unit agreement, and in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Purchase Contracts or Purchase Units, as applicable, and the plan of distribution, then, upon the happening of such events, the Purchase Contracts or Purchase Units, as applicable, will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

and reserved for issuance and sale; and (v) the Subscription Rights have been duly executed and delivered by the Company against payment therefor in accordance with any applicable subscription agreement or subscription rights certificate, and in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Subscription Rights and the plan of distribution, then, upon the happening of such events, the Subscription Rights will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

6. With respect to the Units: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws; (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a unit agreement and to authorize the form, terms, execution and delivery of the Units and the other registered securities underlying the Units, and the terms of the offer and sale thereof; (iii) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained; (iv) any shares of Common Stock, shares of Preferred Stock, or any Debt Securities, Depositary Shares, Warrants, Purchase Contracts, Purchase Units or Subscription Rights to be issued pursuant to such Units have been duly and validly authorized and reserved for issuance and sale; and (v) the Units and the other registered securities underlying the Units have been duly executed and delivered by the Company against payment therefor in accordance with any applicable unit agreement, and in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the prospectus supplement setting forth the terms of the Units and the other registered securities underlying the Units and the plan of distribution, then, upon the happening of such events, the Units will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

Our opinions above are qualified to the extent that the enforcement of any Covered Securities denominated in a currency other than United States dollars may be limited by requirements that a claim (or a foreign currency judgment in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law.

We express no opinion as to: (i) waivers of defenses, subrogation and related rights, rights to trial by jury, rights to object to venue, or other rights or benefits bestowed by operation of law; (ii) releases or waivers of unmatured claims or rights; (iii) indemnification, contribution, exculpation, or arbitration provisions, or provisions for the non-survival of representations, to the extent they purport to indemnify any party against, or release or limit any party's liability for, its own breach or failure to comply with statutory obligations, or to the extent such provisions are contrary to public policy; or (iv) provisions for liquidated damages and penalties, penalty interest and interest on interest.

We are members of the bars of the District of Columbia and the State of New York. We do not express any opinion herein on any laws other than the law of the State of New York.

We hereby consent to the filing of this opinion as Exhibit 5.2 to the Registration Statement. We also hereby consent to the reference to our firm under the heading "Legal Matters" in the prospectus constituting part of the Registration Statement.
